

# Bloomberg Law Dashboard Legal

NOW AVAILABLE

## Bloomberg Law Awareness, now in Dashboard Legal

Trusted legal, business, and market intelligence embedded where legal teams manage their work.

### Included Intelligence Sources:

Legal Profiler, Bloomberg Law News, Bloomberg Terminal Data

The screenshot displays the Bloomberg Law Dashboard Legal interface. At the top, there is a navigation bar with "Dashboard Legal" and a "Workspace Search" field. Below this, the user's profile for "Exportit Inc." is visible, along with a "Configure" button and a "33" notification badge. The main workspace contains several tabs: "Workstreams", "Checklists", "Docs", "Team Chat", "Notes", "Activity Summary", and "Awareness". The "Awareness" tab is active, showing two panels. The left panel, titled "NVIDIA Corp (U.S.) Profile", displays an "Executive Summary" with a list of key points: NVIDIA Corp has a significant litigation footprint (353 cases); cases are primarily patent (34%) and antitrust (21%); the most active jurisdiction is the U.S. District Court for the Northern District of California; leading law firms include Orrick Herrington & Sutcliffe LLP, Cooley LLP, and Fish & Richardson PC; key attorneys are Robert P. Varian, James N. Kramer, and James J. Donato; recent developments include a judge retracting a demand for DOJ discovery and a successful arbitration; and litigation activity peaked in 2007. The right panel, titled "Meta Platforms Inc Class A (U.S.) Profile", shows a "Top Law Firms" donut chart with 1177 appearances. The chart data is as follows:

Law Firm	Percentage	Appearances
Gibson Dunn & Crutcher LLP	14.8%	174
Orrick Herrington & Sutcliffe LLP	10.5%	124
Covington & Burling LLP	7.8%	92
Cooley LLP	5.8%	68
Kirkland & Ellis LLP	4.6%	54
Latham & Watkins LLP	4.5%	53
Perkins Coie LLP	4.1%	48
Other	47.9%	564

Below the Awareness panels, there is a "Bankruptcy - Bloomberg Law News" section. It features a headline "Bondholders Rocked by \$4 Billion Tax Threat in Optimum Feud" with a sub-headline "Patrick Drahi was running out of options to save his debt-ridden telecom empire." and a sub-headline "Bankrupt Camp Operator Races to Stay Open Ahead of Summer Start" with a sub-headline "The bankrupt owner of dozens of summer camps, including one in New York's Catskill mountains charging \$16,500, is working with its lenders to tap cash in its".

Available to joint Bloomberg Law and Dashboard Legal customers.  
Access depends on applicable subscriptions, permissions, and entitlements.

## MONITOR

# Intelligence in the Same Place as the Work

Bring Bloomberg Law intelligence directly into Dashboard Legal client and matter boards. Add live company and law firm profiling, Bloomberg Law News, and Bloomberg Terminal-powered context to the workspace where teams review developments, coordinate next steps, and keep matters moving forward.

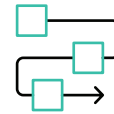

### Know What Matters

Track relevant legal, business, and company developments from within the board where your team is already working.

### Understand the Context

Use Bloomberg Law Legal Profiler and Bloomberg Terminal-powered intelligence to gain visibility into the organizations, firms, attorneys, and market signals surrounding a matter.

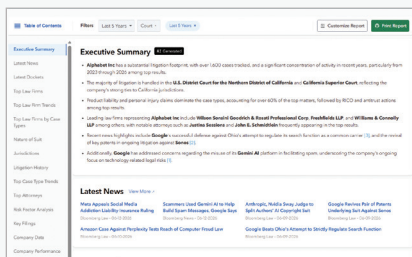

### Move from Signal to Action

Keep insights close to tasks, owners, notes, and decisions so awareness becomes part of the workflow—not another destination to monitor.

## PROFILE

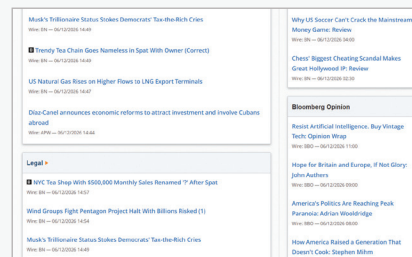

# Add the Intelligence Your Board Needs

The new Awareness tab lets you add Bloomberg Law intelligence widgets directly into Dashboard Legal.

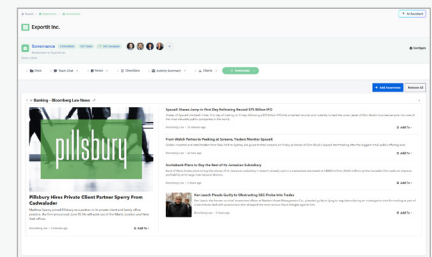

### Legal Profiler Agent

Access live Bloomberg Law firm and company data, including: executive summaries, litigation history, law firm representation, attorney information, jurisdictions, and corporate hierarchy.

### Bloomberg Terminal Company Intelligence

Bring differentiated Bloomberg company and market intelligence into Dashboard Legal for company-focused boards, helping teams better understand business developments and market signals.

### Bloomberg Law News Homepages

Add curated Bloomberg Law news feeds by practice area and topic, enabling teams to monitor developments relevant to clients, matters, and ongoing workflows.

## ACT

# From Awareness to Action in Four Steps

Add Bloomberg Law news homepages directly to Dashboard Legal boards, enabling practice groups and client teams to stay informed while remaining within their workflow.

### STEP 1

#### Add Awareness

Open a Dashboard Legal board and add the Awareness tab.

### STEP 2

#### Choose Your Widgets

Select from:

- Legal Profiler
- Bloomberg Law News
- Bloomberg Terminal Company Intelligence
- Other available intelligence sources

### STEP 3

#### Review Intelligence in Context

View profiles, news, market signals, and legal developments alongside:

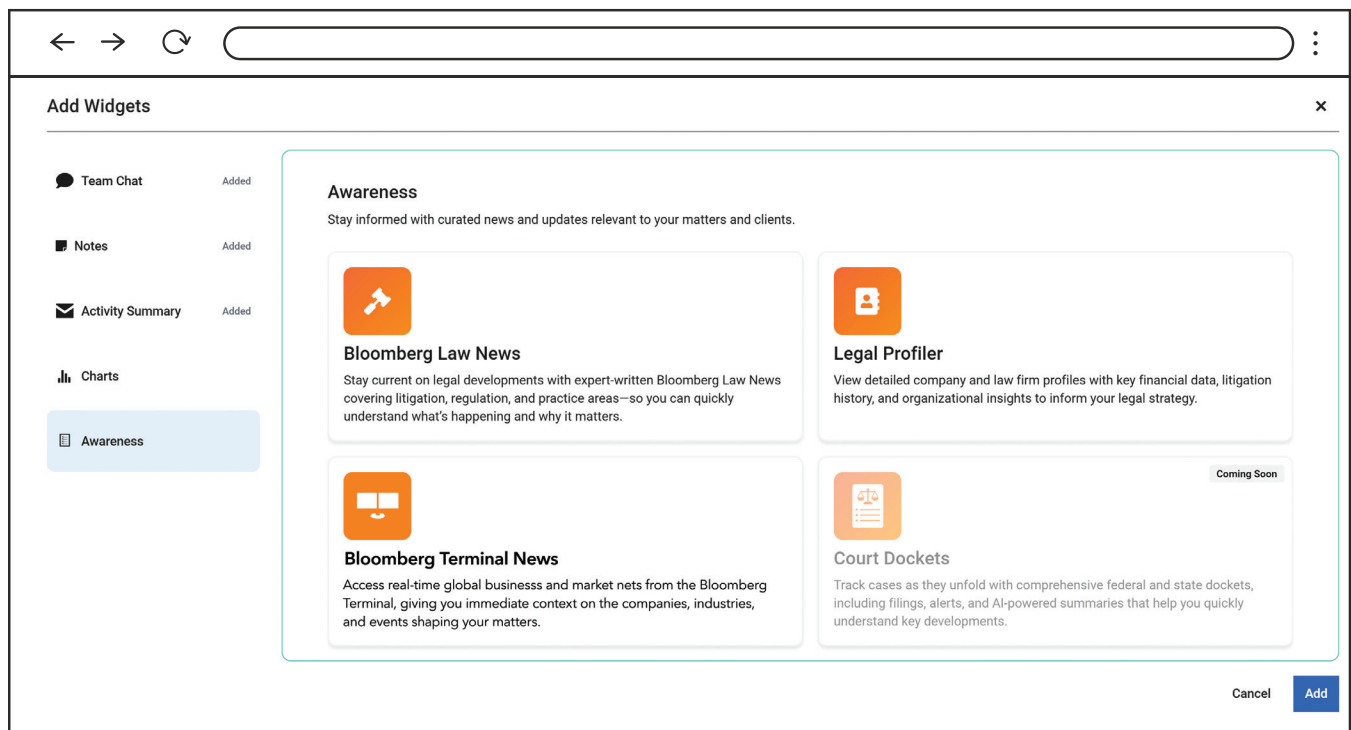

- Matter tasks
- Notes
- Chats
- Assigned owners

### STEP 4

#### Coordinate the Response

Use the board to:

- Assign follow-up actions
- Update stakeholders
- Capture decisions
- Keep matters progressing efficiently

## PROFILER

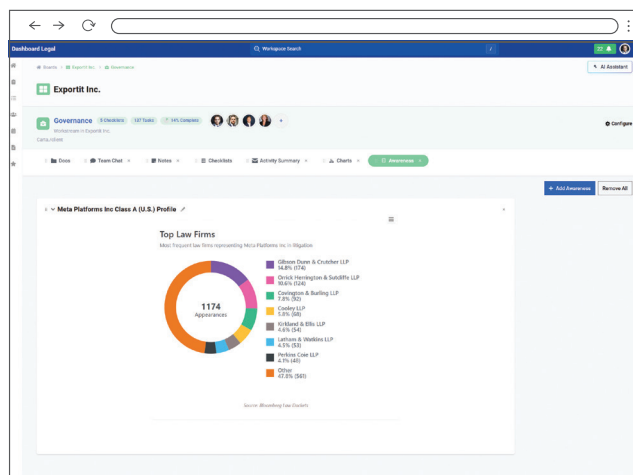

### Live Profile Intelligence Without Leaving the Matter

Legal Profiler provides a fast, structured view of the companies and law firms connected to your work. Add the profile views you need directly to the board.

#### Available Profile Information

- ✓ Executive summaries
- ✓ Latest news
- ✓ Top law firms and attorneys
- ✓ Law firm trends by case type
- ✓ Nature of suit and jurisdictions
- ✓ Litigation history
- ✓ Company data and hierarchy

Designed for rapid orientation, client monitoring, and matter planning.

## NEWS

### Curated Bloomberg Law News Organized Around the Topics Your Teams Follow

Add Bloomberg Law news homepages directly to Dashboard Legal boards, enabling practice groups and client teams to stay informed while remaining within their workflow.

# Not Another Place to Check. A Better Place to Act.

Bloomberg Law Awareness in Dashboard Legal brings intelligence directly into the system of work—the same environment where teams manage:

## Bloomberg Law Powers the Intelligence

Trusted legal, business, and market intelligence from Bloomberg Law.

## Dashboard Legal Keeps the Work Organized

A centralized workspace for legal work management.

## Together They Drive Legal Progress

By connecting intelligence with execution, teams can transform developments into coordinated legal action.

## Looking Ahead

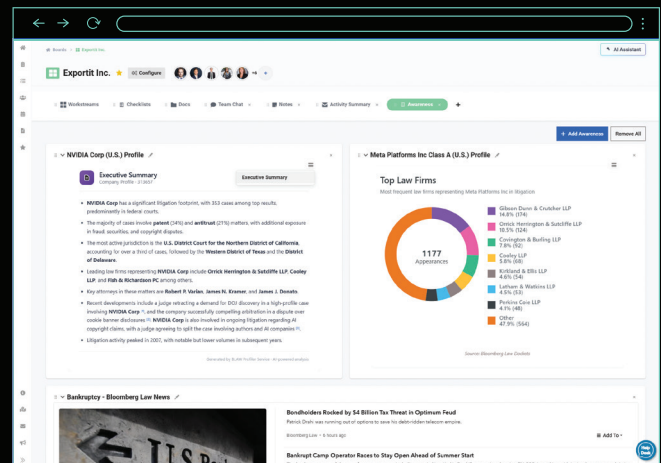

Awareness is part of a broader roadmap toward a unified legal work management and intelligence platform that connects trusted content, AI, documents, people, and matter context within a single workflow.

## Turn Legal Intelligence into Legal Progress

For joint Bloomberg Law and Dashboard Legal customers, Awareness brings the signals your teams rely on directly into the boards where decisions are made, tasks are managed, and client work advances.

### Enable Awareness

Contact your account team to learn more.

## Important Information

Available only to joint Bloomberg Law and Dashboard Legal customers.
