Jumpstart Your Career

Bloomberg Law Fellowship Program

Are you interested in an alternative career in law?

We invite early-career attorneys and aspiring legal tech professionals to an **exclusive fellowship program** that immerses you in Bloomberg Law culture, products, customers, teams, and processes.

Our **4-month rotation** provides the tools you need to launch your career **as an associate legal analyst, legal content specialist, or content production specialist**.

The **Bloomberg Law Fellowship Program** guides you through multiple areas of the company with on-the-job training in:

- Legal Content, Analysis, Data & Surveys
- Help Desk, Sales & Service, Customer Experience
- Product Development, Production, Digital Publishing
- Marketing, Commercial Strategy, Author Relations

The program concludes with a **permanent position**.
(Start date for legal positions follows bar exam season.)
