Art on the Streets and the City of Cincinnati  
bring Asphalt Art to

# PLEASANT <sup>St</sup>

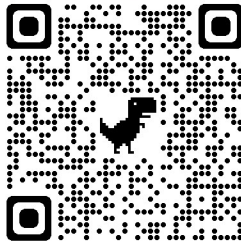

Everyone is invited to join us to share design inspiration on July 24 from 1 — 3 PM,  
on Pleasant Street in two locations, near 14th Street and near Findlay Market.

And we welcome volunteer painters on painting day, August 28  
between 10 AM and 4 PM from Washington Park to Findlay Market.

We are bringing people together to celebrate connections between  
all of us and two beloved historic places in Over-the-Rhine.
