Community

Our focus is on generating ideas, delivering insight, and making the connections that help formulate successful strategies, capitalize on technological change and shape a cleaner, more competitive future.

> *The greatest and fastest change will come from collaboration and broad coalitions of businesses, governments, and other parties, working sector by sector, to identify and then pursue decarbonisation pathways."*

Claire Francois, Low Carbon Solutions Events and Partnership Manager at Shell

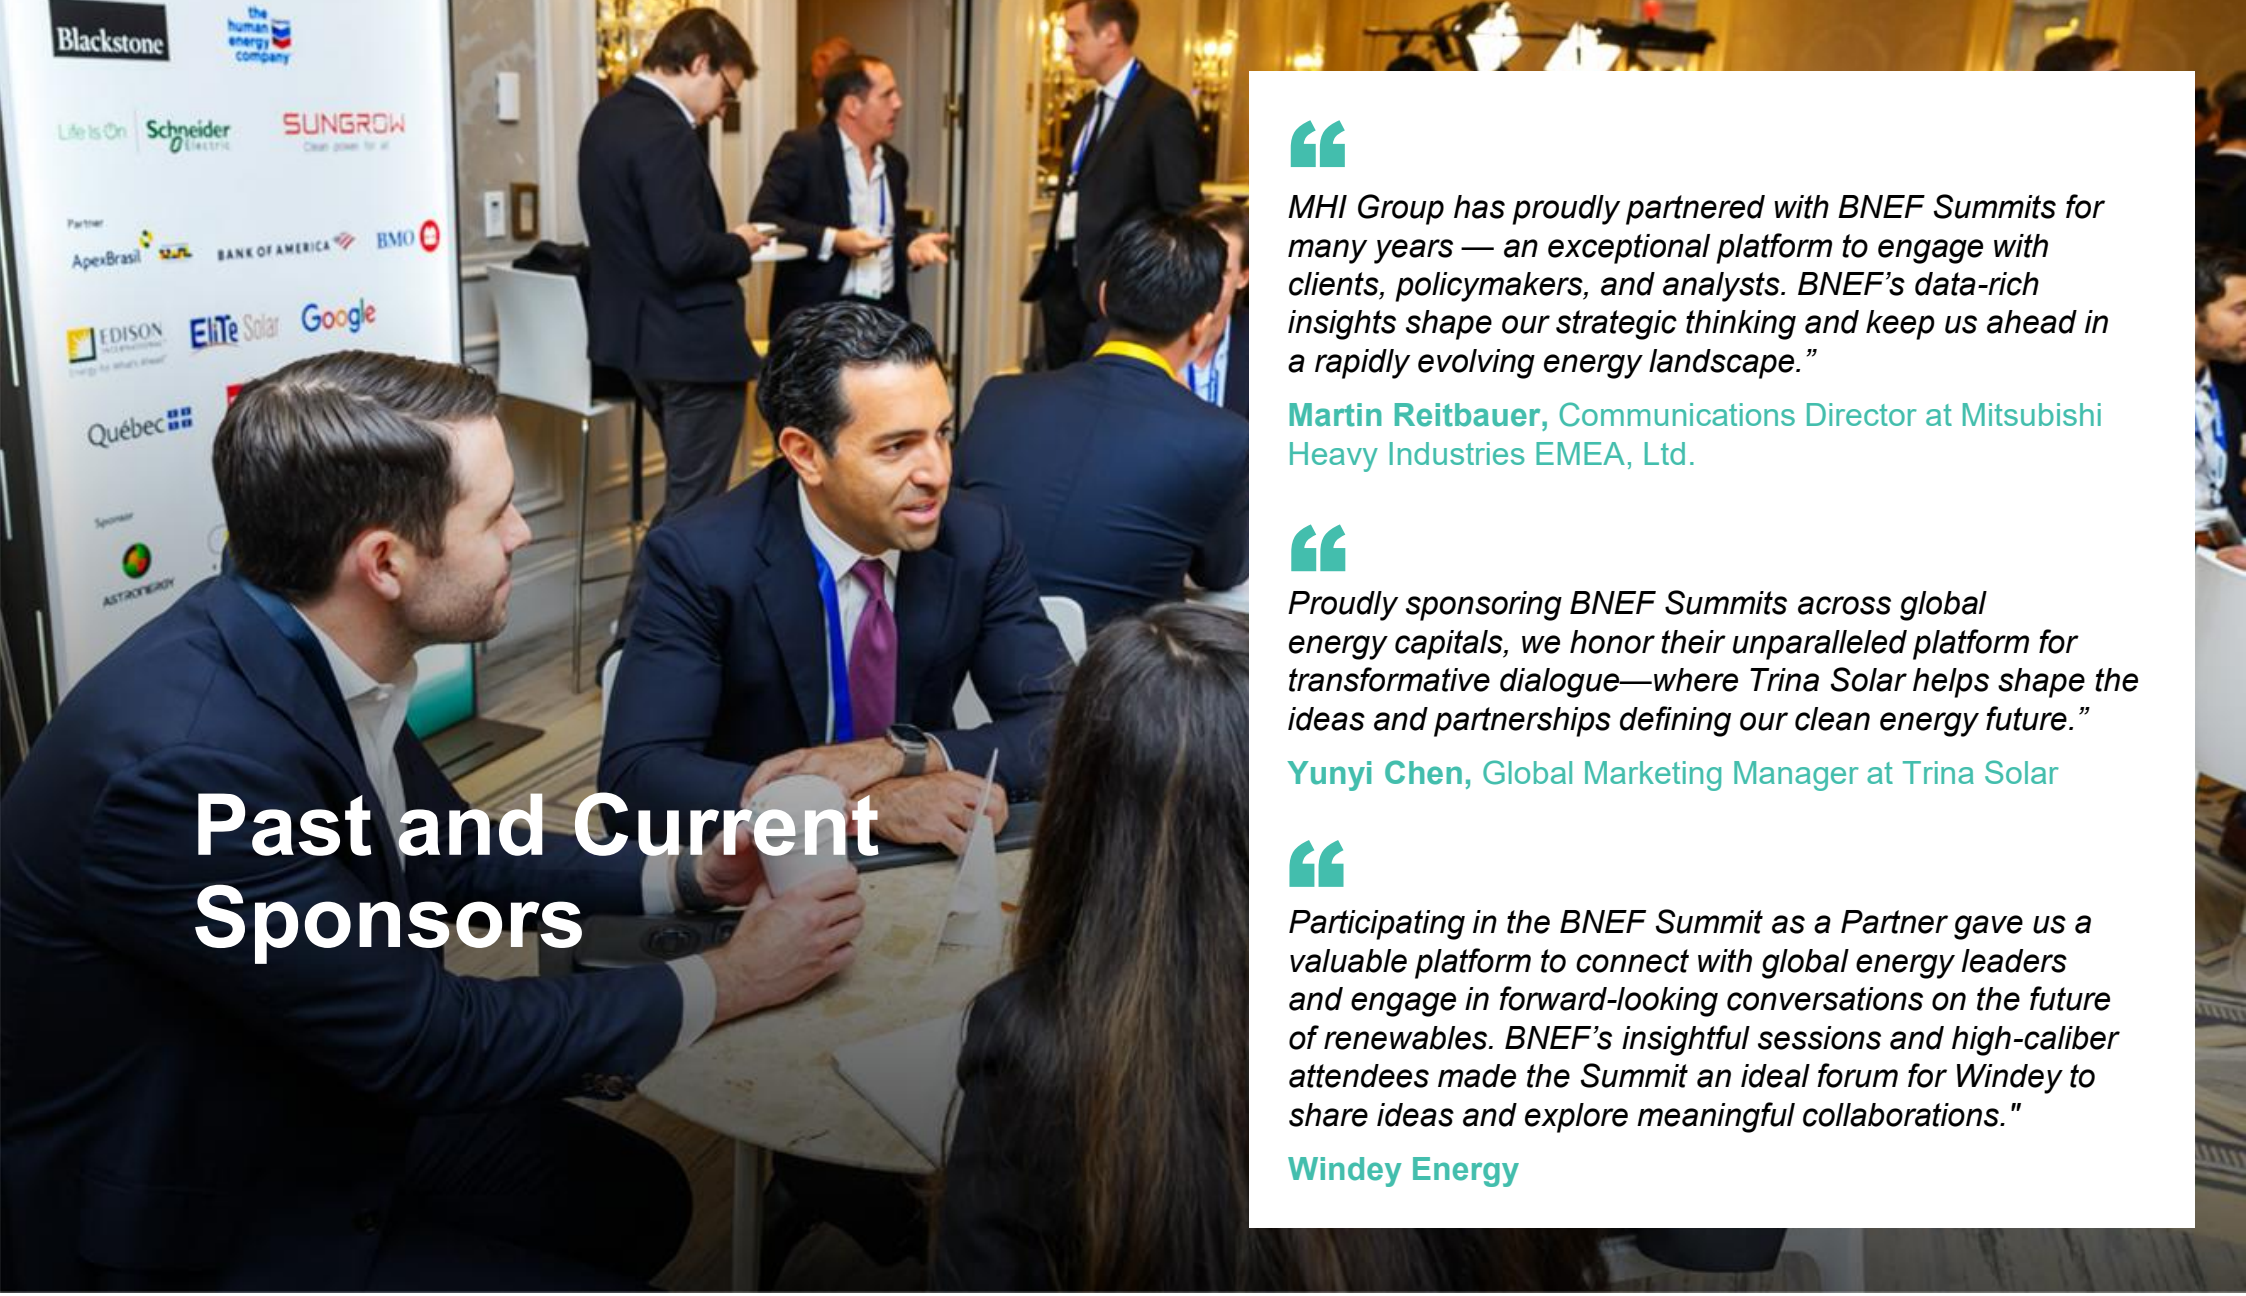

> *At times of uncertainty, relying on data and science becomes crucial. Applauding BloombergNEF for hosting an outstanding NYC Summit. Quebec has been a proud partner of the BNEF Summit NY for 4 years in a row."*

Frédéric Langlois, Transportation & Energy Attaché, Québec Government Office in New York

Past and Current Sponsors

MHI Group has proudly partnered with BNEF Summits for many years — an exceptional platform to engage with clients, policymakers, and analysts. BNEF's data-rich insights shape our strategic thinking and keep us ahead in a rapidly evolving energy landscape."

Martin Reitbauer, Communications Director at Mitsubishi Heavy Industries EMEA, Ltd.

Proudly sponsoring BNEF Summits across global energy capitals, we honor their unparalleled platform for transformative dialogue—where Trina Solar helps shape the ideas and partnerships defining our clean energy future."

Yunyi Chen, Global Marketing Manager at Trina Solar

Participating in the BNEF Summit as a Partner gave us a valuable platform to connect with global energy leaders and engage in forward-looking conversations on the future of renewables. BNEF's insightful sessions and high-caliber attendees made the Summit an ideal forum for Windey to share ideas and explore meaningful collaborations."
