Technology Platform

BNEF Summits are delivered via

- High quality stream of live and pre-recorded footage from our own teams and external speakers, combined with:
  - Audience interaction tools, Q&A, polling, networking, delivered online via
    - A simple password protected URL for attendees
    - A professional online studio environment and technical support for speakers
    - Integrated with BNEFs’ existing systems for a seamless community experience
- Available on web and mobile
- Sponsors receive full tech support and any pre-event testing needed to ensure quality and accessibility, including pre-recording where necessary.

BloombergNEF (BNEF) is a strategic research provider covering global commodity markets and the disruptive technologies driving the transition to a low-carbon economy.

Our expert coverage assesses pathways for the power, transport, industry, buildings and agriculture sectors to adapt to the energy transition.

We help commodity trading, corporate strategy, finance and policy professionals navigate change and generate opportunities.
