

B. Pricing Policy

Prices and fees are provided for each separate service provided by BDRS BV, with details of any discounts or rebates that apply and the conditions that must be satisfied to qualify for those reductions. BDRS BV seeks to avoid conflicts of interest between BDRS BV and its clients when setting the prices and fees charged by BDRS BV for each of its services.

Prices and fees associated with BDRS BV's services are charged on a non-discriminatory basis. BDRS BV does not offer preferential pricing arrangements. Discounts and rebates are applied equally to all clients falling within the same category.
