The CCO may not be a member of BSEF’s legal department and may not serve as its general counsel.

RULE 210. Conflicts of Interest

- (a) A Director, Officer, Disciplinary Panel, Appellate Panel, Disciplinary Committee or any other panel or committee member or other Person authorized to exercise BSEF’s authority concerning any inquiry, investigation or any disciplinary or appeals proceeding, summary suspension or other summary actions (any such action, a “**SEF Action**” and, collectively, “**SEF Actions**”), or Emergency actions taken pursuant to Rule 212 (each such SEF Action or Emergency action, a “**SEF Proceeding**”) who knows or reasonably should have known that they have a “material conflict of interest” between their position as a Director, Officer, panel or committee member or other Person authorized to exercise BSEF’s authority concerning any SEF Proceeding and their personal interests (each, an “**Interested Person**”) may not participate in

any deliberations or vote of a Board, committee or panel or exercise any authority in any SEF Proceeding involving their personal interest, except as described in Rule 210(e). An Interested Person cannot participate in any deliberations or vote if a determination to impose such restriction is based on factors set forth in Rule 210(b)(i) through (iv) or Rule 210(b)(vi).

(b) For purposes of Rule 210(a), a “**material conflict of interest**” includes a Director’s, Officer’s, panel or committee member’s or other Person’s:

(i) Being named as a respondent, potential respondent, witness, or potential witness, in a SEF Proceeding;

(ii) Being an employer, employee, fellow employee or an Affiliate of a respondent or potential respondent in a SEF Proceeding;

(iii) Having any significant, ongoing business relationship with a respondent or potential respondent in a SEF Proceeding, not including relationships limited to executing Swaps opposite of each other or to clearing Swaps through the same Clearing Member;

(v) Having a Financial Interest in a Significant Action; and/or

(vi) Other circumstances regarding a Person’s personal interests.

(c) Before considering any SEF Proceeding, an Interested Person must disclose in Writing to the CCO the material facts concerning their relationship or interest in a SEF Proceeding, as specified by Rule 210(c). Such Written disclosures shall be reviewed by the CCO to determine whether such Interested Person is subject to deliberations and voting restrictions under Rule 210(a). Such disclosure requirement does not apply to Interested Persons that have a Financial Interest in a Significant Action who choose to abstain from deliberations and voting on a Significant Action.

(d) If the CCO determines that disclosure to the Board is appropriate, the Interested Person must, upon request, provide all facts to the CCO, the Board, members of any committee of the Board or panel, as applicable, considering the possible material conflict of interest. After all facts are provided, such Interested Person shall recuse themselves from the Board, the committee of the Board or the panel, as applicable, and shall not participate in the final deliberation or decision regarding the matter under consideration while the determination of a material conflict of interest is discussed and voted upon. The remaining Board, committee or panel members, as applicable, and the CCO shall decide if a material conflict of interest exists, and the appropriate course of action.

(e) Any Interested Person who would be required otherwise to abstain from deliberations and voting pursuant to Rule 210(a) solely as a result of having a Financial Interest

in a Significant Action may participate in deliberations, prior to a vote on any Significant Action if the Interested Person recuses from voting and, if:

- (i) The material facts about the Interested Person's Financial Interest in a Significant Action in the SEF Proceeding are disclosed to the Board;
 - (ii) The Board determines that participation by the Interested Person would be consistent with the public interest;
 - (iii) A majority of the Directors (excluding any Interested Persons) vote to allow the Interested Person to participate in deliberations on the SEF Proceeding;
 - (iv) The Interested Person's participation in deliberations is necessary for the deliberating body to achieve a quorum in the SEF Proceeding; and
 - (v) The Interested Person has unique or special expertise, knowledge, or experience in the SEF Proceeding under consideration.
- (f) If a determination is made pursuant to Rule 210(e), that an Interested Person may not participate in deliberations or may nonetheless participate in deliberations on a Significant Action prior to a vote, any such determination shall comply with CFTC Regulation 1.69 and include a review of all material facts concerning the Interested Person's relationships and/or interest in the relevant matter or Significant Action and any other source of information that is held by or reasonably available to BSEF.
- (g) Upon a determination whether the Interested Person is subject to deliberations and voting restrictions (or exemptions thereof) under Rule 210(a), the minutes of the meeting of the Board, committee or panel or other records shall reflect the determination and the reason(s) for the determination. Such records must also include:
- (i) The names of all members who attended the meeting in person or who otherwise were present by electronic means;
 - (ii) The name of any members who voluntarily recused themselves or were required to abstain from deliberations and/or voting on a matter and the reason for the recusal or abstention, if stated; and
 - (iii) Information on the material facts that was reviewed for each member.
- (h) If a determination is made pursuant to Rule 210(a) that all Directors are Interested Persons with respect to a matter subject to a vote by the Board, the President will appoint a panel of individuals who are not Interested Persons with respect to such matter, which will have the same authority and powers over such matter that the Board would have if the Directors were not Interested Persons with respect to such matter. If a determination is made pursuant to Rule 210(a) that the President is an Interested Person, then the Vice President or the Regulatory Oversight Committee, if the Vice President is also an Interested Person, will appoint such panel of individuals who are not Interested Persons.

**RULE 211. Restrictions on Certain Persons who Possess Material

Non-Public Information**

(a) No Director, Officer or member of any committee or panel established by the Board or a member of the Disciplinary Panel, Appellate Panel, or Disciplinary Committee shall use or disclose for any purpose other than the performance of their official duties and responsibilities as a Director, Officer or committee or panel member any Material Non-Public Information obtained as a result of the individual's duties and responsibilities as a Director, Officer or committee or panel member.

(b) Notwithstanding Rule 211(d), a Director, Officer or committee or panel member may disclose Material Non-Public Information acting in the course of such individuals' official duties to another SEF, court of competent jurisdiction, or representative of any agency or department of the federal or state government.

(e) No SEF Employee shall:

(i) Trade, directly or indirectly, any Covered Interest; and/or

(ii) Disclose to any other Person any Material Non-Public Information which such SEF Employee obtains as a result of their employment at BSEF, where such SEF Employee has or should have a reasonable expectation that the information disclosed may assist another Person in trading any Covered Interest; provided, however, that such rules shall not prohibit disclosures made in the course of a SEF Employee's official duties, or disclosures made to another SEF, Self-Regulatory Organization, Linked Exchange, court of competent jurisdiction, or representative of any agency or department of the Federal or State government acting in their official capacity.

(iii) Exemptions from (e)(i) are permitted on a case-by-case basis in the following circumstances:

performed by a third-party money manager, in which the account owner does not retain discretion to direct or influence the trading of securities in that account; or

(B) Trading by a SEF Employee under circumstances enumerated by BSEF in which BSEF determines trading is not contrary to Applicable Law, the public interest, or just and equitable principles of trade.

(f) No Person shall trade for such Person's own account, or for or on behalf of any other account, in any Covered Interest on the basis of any Material Non-Public Information that such Person knows was obtained in violation of this Rule from a SEF Employee, member of the Board or any Board or any other committee of BSEF, Officer, or consultant.

RULE 212. Emergency Rules

(a) In the event of an Emergency, BSEF shall adopt temporary emergency procedures and/or rules ("**Emergency Rules**") to provide for the exercise of Emergency authority. Implementation of Emergency Rules shall be done in consultation or cooperation with the CFTC, as is necessary and appropriate, including the authority to order the liquidation or transfer of open positions in any Swap or curtail trading in a Swap. To comply with CFTC Regulations 37.800 and 37.801 the Emergency Rules may require or authorize BSEF, the Board, any committee of the Board, the President, or any other Officer to take actions or adopt Emergency Rules that are reasonably designed to respond to the Emergency, including the following actions:

Participant's Swaps and the margin, or alter any Swap's settlement terms or conditions, or, if applicable, provide for the carrying out of such actions through its agreements with its Clearing Houses or its Regulatory Services Provider.

(b) Before any Emergency Rule may be adopted and enforced, a required vote of the Board must approve the implementation of such Emergency Rule at a duly convened meeting requested by the President or any other Officer. Directors may attend such meeting telephonically. Each Director participating in such meeting shall be subject to Rule 210. If the President, Vice President or the Chief Technology Officer determines that Emergency Rules must be implemented with respect to an Emergency before a meeting of the Board can reasonably be convened, then the President, Vice President or the Chief Technology Officer shall have the authority, without Board action, to implement any Emergency Rules with respect to such Emergency that they deem necessary or appropriate to respond to such Emergency.

(c) Whenever BSEF, the Board, any committee of the Board, or the President, Vice President or the Chief Technology Officer takes actions necessary or appropriate to respond to an Emergency (including the actions set forth in paragraph (a) above), an authorized representative of BSEF will post a Notice to Participants regarding such Emergency, as soon as practicable. When the Board, any committee of the Board or the President, Vice President or the Chief Technology Officer determines that the Emergency is no longer in effect, permitting the SEF operated by BSEF to resume normal functioning; any such actions responding to an Emergency will be terminated.

(d) BSEF will use reasonable efforts to notify the CFTC prior to implementing, modifying or terminating an Emergency Rule. If such prior notification is not reasonably possible or practicable, BSEF will promptly notify the CFTC, but in all circumstances within twenty-four (24) hours of the implementation, modification or termination of such Emergency Rule.

(e) Upon taking any action in response to an Emergency, BSEF will document the decision-making process in Writing related to such action. RULE 213. Information-Sharing Agreements

Any such suspension will not affect the rights of creditors under the Rules or relieve the Participant in question of its or their obligations under the Rules to perform any Swaps entered into before the suspension, or for any BSEF fees, costs, or charges incurred during the suspension.

(b) When the Trading Privileges of a Participant or the Trading Access of any Authorized Trader are terminated, all of a Participant's rights and Trading Privileges or an Authorized Trader's right to Trading Access will terminate, except for the right of the Participant in question to assert claims against others, as provided in the Rules. Any such termination will not affect the rights of creditors under the Rules. A terminated Participant may only seek to reinstate its Trading Privileges by applying for Trading Privileges pursuant to Rule 304. RULE 516. Trade Cancellation, Correction, Offset and Adjustment

Trades that have not been executed on or pursuant to the Rules of the SEF operated by BSEF are ineligible to be cancelled, corrected, offset or adjusted pursuant to this Rule.

RULE 516.A. Trade Cancellation, Correction, Offset and Adjustment – Cleared Swaps

(a) A Trade in a Cleared Swap executed on or pursuant to the Rules of the SEF operated by BSEF can be cancelled, corrected, offset or adjusted only in accordance with this Rule 516.A.

(b) A Participant involved in an Error Trade and acting as an Account Manager, Introducing Broker or FCM shall have the authority to request or consent to the cancellation, correction, offset or adjustment, as applicable, of such Trade on behalf of the relevant Counterparty involved in the Trade.

(c) Timing of an Offset or Correction.

(i) For Error Trades rejected or not accepted by a Clearing House for non-credit reasons (i.e., operational or clerical reasons), the Correcting Trade must be executed pursuant to the Rules and submitted for clearing as quickly as technologically practicable after the Clearing House provides notice of the rejection of the Error Trade or BSEF cancels the Error Trade, but, in any event, no later than **one (1)** hour after the Error Trade was executed.

(ii) For Error Trades accepted by a Clearing House, the Offsetting Trade and/or the Correcting Trade must be executed and submitted for clearing no later than **three (3)** Trading Days after the Error Trade was executed.

(iii) Where BSEF has provided a Participant notice of a potential Error Trade, calculation of any deadlines set forth in this Rule 516.A(c) shall be governed by the Error Trade execution time as communicated to such affected Participants by BSEF.

(d) Notification of Action Taken and Trade Review – Cleared Swaps Executed on a Non-Anonymous Basis.

(i) If Participants involved in a Trade agree that the Trade is an Error Trade and that the cancellation, correction, offset or adjustment of the Error Trade is appropriate and will not adversely impact market integrity, facilitate market manipulation, or other illegitimate activity, or otherwise violate the Rules, Participants may either execute solely an Offsetting Trade or may execute both an Offsetting Trade and a corresponding Correcting Trade as provided below in this Rule 516.A.(d).

(ii) For both Required Transactions and Permitted Transactions in Cleared Swaps, Participants may either execute solely an Offsetting Trade or may execute both an Offsetting Trade **and** a corresponding Correcting Trade by sending an RFQ to the Participant involved in the Error Trade and specifying in the RFQ that a Trade is either an Offsetting Trade or Correcting Trade. Providing such specification will constitute notice to the Compliance Department. A Participant that submitted an RFQ or Order that resulted in the Error Trade must use RFQT to send an RFQ to the other Participant involved in the Error Trade and the other Participant must promptly respond to the RFQ or reject it.

(iii) For Cleared Swaps that are Permitted Transactions, Block Trades and Required Transactions that are components of Covered Package Transactions, Participants may either execute solely an Offsetting Trade or may execute both an Offsetting **and** a corresponding Correcting Trade by sending an RFQ to the Participant involved in the Error Trade without specifying that a Trade is either an Offsetting Trade or Correcting Trade; provided that the Requesting Participant or the Recipient Participant notify the BSEF Support Desk at 1-212-617-1530 or by any form of Written communication approved by BSEF within **twenty-four (24) hours** after the execution of such Offsetting Trade and/or Correcting Trade and provide to BSEF the following information:

(A) A description of the clerical or operational error or omission in the terms of the Error Trade;

(B) The UTIs for the Error Trade and Offsetting Trade and/or Correcting Trade and any additional information reasonably requested by BSEF; and

(C) A representation that the Trade qualifies as an Error Trade, e.g., the Trade contains an operational or clerical error.

(iv) For a Trade corrected pursuant to paragraph (d)(i) of this Rule 516.A, the Compliance Department may conduct an *ex post facto* review of the Trade, the Offsetting Trade and the Correcting Trade. Such *ex post facto* review will include a review of the electronic audit trail of the Trade, as well as other facts and circumstances associated with the Trade. If BSEF makes an affirmative finding that such Trade was not an Error Trade, BSEF Compliance will consider any action appropriate under the Rules.

(v) In the case of a Trade in Cleared Swaps executed on a non-anonymous basis, BSEF may, but is not obliged to, inform Participants affected by the Error Trade of the identity and contact information of any other Participant affected by the Error Trade.

(e) Notification of Action Taken and Trade Review – Cleared Swaps Executed on an Anonymous Basis

(i) To request cancellation, correction, adjustment or offset of a Trade in Cleared Swaps executed on an anonymous basis (“**Alleged Error Trade**”), a Participant must notify the BSEF Support Desk by phone at 1-212-617-1530 or by any form of

Written communication approved by BSEF by providing details sufficient to identify the Error Trade (e.g., UTI, FIT/FITDNA key, or Swap contract, notional amount, price/spread, Clearing House and execution time) and stating the grounds for the request as soon as possible, but no later than the end of the Trading Day following the date of execution of the Alleged Error Trade. For notifications received after such date, BSEF shall have discretion as to whether to review the request to cancel, correct, adjust or offset the Alleged Error Trade.

(ii) The Compliance Department will review promptly the electronic audit trail of the Alleged Error Trade as well as any facts and circumstances associated with the Alleged Error Trade. If BSEF makes an affirmative finding that the Alleged Error Trade was an Error Trade and that the cancellation, correction, adjustment or offset of the Alleged Error Trade is appropriate and would not adversely impact market integrity, facilitate market manipulation or other illegitimate activity, or otherwise violate the Rules, BSEF will designate such Alleged Error Trade as an “Error Trade.”

(iii) BSEF will inform affected Participants of the alleged Error Trade and of the next steps that the Participants must or could make.

(iv) BSEF will not take any action with respect to an Error Trade unless the Error Trade is outside the No-Bust Range. BSEF will inform the affected Participants of the final disposition of the Error Trade.

(v) For Trades in Cleared Swaps executed on an anonymous basis, BSEF will not inform Participants affected by the Error Trade of the identity and contact information of any other Participant affected by the Error Trade and will facilitate a pre-arranged Offsetting Trade or a Correcting Trade if all such Participants agree to or are required to enter into Trades described in Rule 516.A(f) and 516.A(g).

(f) Error Trade Cancellation, Correction, Adjustment and Offset – Participant Errors

(i) For each Error Trade cleared by a Clearing House, BSEF may, if both Participants agree:

(A) Request, or allow the Participants to request, the appropriate Clearing House to cancel, correct or adjust the Error Trade; or

(B) Allow the affected Participants to enter into a pre-arranged Offsetting Trade to offset the position on the books of the Clearing House that resulted from the Error Trade; and/or

(C) If desired by the affected Participants, allow the affected Participants to enter into a pre-arranged Correcting Trade, provided, however, that the terms of such new Trade shall not include costs or fees associated with the Error Trade.

(ii) For each Error Trade rejected by a Clearing House and determined to be *void ab initio* under Rule 533 or not accepted by a Clearing House and cancelled by BSEF as provided in Rule 516.E, in each case because of an operational or clerical error or omission made by a Participant, Counterparty or Account Manager, if both Participants agree, the affected Participants may enter into a pre-arranged Correcting Trade.

(iii) All the Rules other than Rule 522.A shall apply to Correcting Trades executed by Participants pursuant to this Rule 516.A(f).

(iv) Participants must report to BSEF as soon as possible all changes made to the Error Trade pursuant to this Rule 516.A(f).

(v) With respect to an Error Trade rejected by a Clearing House for non-credit reasons, if the Correcting Trade is also rejected by the Clearing House and *void ab initio*, the affected Participants will not be provided a second opportunity to correct the Error Trade.

(g) Error Trade Cancellation, Correction, Adjustment and Offset – System Errors

(i) If, after its own investigation or a notice from a Participant, BSEF determines in its sole discretion that the execution of a Trade cleared by a Clearing House was the result of an error made by the SEF Platform and the Trade has been designated as an Error Trade, then BSEF may:

(A) Request, or allow the Participants to request, the appropriate Clearing House to cancel, correct or adjust the Error Trade; or

(B) Direct the affected Participants to enter into a pre-arranged Offsetting Trade to offset the position on the books of the Clearing House that resulted from the Error Trade; and/or

(C) Direct the affected Participants to enter into a pre-arranged Correcting Trade, provided, however, that the terms of such new Trade shall not include costs or fees associated with the Error Trade.

(ii) If, after its own investigation or a notice from a Participant, BSEF determines in its sole discretion that the execution of a Trade rejected or not accepted by a Clearing House for non-credit reasons were the result of an error made by the SEF Platform and such Trade was either determined to be *void ab initio* under Rule 533 or cancelled by BSEF as provided in Rule 516.E, then BSEF may direct the affected Participants to enter into a pre-arranged Correcting Trade, provided, however, that the terms of such new Trade shall not include costs or fees associated with the Error Trade.

(iii) If BSEF directs affected Participants to enter into a pre-arranged Trade in accordance with paragraph (i)(B) above, the affected Participants shall enter into such pre-arranged Trade.

(iv) All Rules other than Rule 522.A shall apply to Correcting Trades executed by Participants pursuant to this Rule 516.A(g).

(v) Notwithstanding anything to the contrary in this Rule 516.A(g), BSEF reserves the right to correct an Error Trade resulting from an error made by the SEF Platform by any means BSEF deems appropriate.

(vi) If BSEF is unable to determine how to correct the Error Trade, BSEF may either not fix the error, or it may seek guidance on how to address the error from the affected Participants. Any such guidance may not be implemented without consent from both Participants.

(vii) Participant must report to BSEF as soon as possible all changes made to the Error Trade pursuant to this Rule 516.A(g).

(viii) With respect to an Error Trade rejected by a Clearing House for non-credit reasons, if the Correcting Trade is also rejected by the Clearing House and void ab initio, the affected Participants will not be directed to enter into another Trade to correct the Error Trade.

(iii) A bank, insurance company, trust company, or savings and loan association subject to federal or state regulation;

(iv) A foreign adviser that exercises discretionary trading authority solely over the accounts of non-U.S. Persons, as defined in CFTC Regulation 4.7(a)(1)(iv);

(v) A Futures Commission Merchant registered with the CFTC pursuant to the CEA; or

(vi) An Introducing Broker registered with the CFTC pursuant to the CEA.

(b) Bunched Orders must be allocated and recorded in accordance with CFTC Regulation 1.35(b)(5) and the NFA's Interpretative Notice "The Allocation of Bunched Orders for Multiple Accounts" related to Compliance Rule 2-10.

(c) Bunched Orders may be entered using an account series designation or suspense account number; provided, however, that:

(i) The Order is being placed by an Account Manager for multiple accounts eligible for post-execution Allocation; and

(ii) An Account Manager that places a Bunched Order shall keep and must make available upon request of any representative of the CFTC, the United States Department of Justice, or other appropriate regulatory agency, BSEF and the Regulatory Services Provider, records sufficient to demonstrate that all Allocations meet the requirements of CFTC Regulation 1.35(b)(5)(iv) and to permit the reconstruction of the handling of the Order from the time of placement by the Account Manager to the Allocation to individual Accounts.

RULE 529. Orders Entered Prior to Trading Day

Participants are prohibited from sending any Request for Quote or Order or using an Order Book of the SEF operated by BSEF or any other facility of BSEF prior to the opening of the Trading Day.

RULE 530. Identification of Authorized Traders

Each Authorized Trader shall be identified to BSEF and shall be subject to the Rules. It is the duty of the Participant to ensure that Authorized Trader (and Trader ID) registration is current and accurate at all times. Each individual must use a Trader ID to access the SEF Platform. In no event may an individual enter an RFQ or Order or permit the entry of an RFQ or Order by an individual using a user Trader ID other than the individual's own Trader ID.

RULE 531. Pre-Arranged Transactions

RULE 531.A. Block Trades

(a) Each buy or sell Order underlying a Block Trade will be submitted as described in Rule 522.E.

(b) Each Person transacting a Block Trade shall be a Participant and shall comply with all applicable Rules.

(c) Each Counterparty to a Block Trade must be an ECP.

(d) A Block Trade executed outside the SEF Platform pursuant to the Rules must be reported to the SEF operated by BSEF by one Counterparty (or a Participant acting on behalf of such Counterparty) and confirmed by the other Counterparty (or a Participant acting on behalf of such Counterparty) as soon as practicable after its execution, but may not be submitted any later than 10 minutes after the execution of the Block Trade. The execution time of a Block Trade is the time that the trade is consummated, which is the time that the Participants agree to the trade in principle. A Block Trade that is a package transaction is deemed to be consummated at the time when the Participants agree to the package transaction, and not at the time the leg prices are determined. Each Block Trade must state the time of execution to the nearest second. BSEF shall have the right not to accept any transaction that does not satisfy the conditions set forth in this Rule.

(e) BSEF will review the information submitted by the Participant(s) for the Block Trade and will report the Block Trade as required by Parts 43 and 45 of the CFTC Regulations if the details are complete and accurate in accordance with this Rule. A Participant that executes a Bunched Order as a Block Trade must comply with Rule 524.C. A Participant that executes a Bunched Order as a Block Trade must provide BSEF with the allocation information as soon as practicable.

(f) Block Trades shall not trigger unexecuted Orders.

(g) Each Participant or Account Manager that is a party to a Block Trade or executes a Block Trade on behalf of its Accounts or Customers must comply with the recordkeeping requirements set forth in Rule 409.A(c). Upon request by BSEF, such Participant shall produce satisfactory evidence, including the order ticket referred to in the preceding sentence, that the Block Trade meets the requirements set forth in this Rule 531.A.

(h) Any Block Trade in violation of these requirements shall constitute conduct which is inconsistent with just and equitable principles of trade.

(i) The aggregation of Orders for different accounts in order to satisfy the Appropriate Minimum Block Size is permissible only by a Person who is a Qualified Account Manager.

(j) A Qualified Account Manager transacting an aggregated Block Trade on behalf of a Customer must receive prior Written instruction or consent from each such Customer to do so. Such instruction or consent may be provided in the power of attorney or similar document by which the Customer provides the Qualified Account Manager with discretionary trading authority or the authority to direct the trading in its account.

(k) Please see Notice to Participants 2024-R-09, which is posted on BSEF's website.

RULE 531.B. Trade Correction

If permitted by Rule 516, two Participants may pre-arrange an Offsetting Trade and/or Correcting Trade. An Offsetting Trade or Correcting Trade that is a Block Trade is subject to the requirements of Rule 531.A.

RULE 531.C. Covered Package Transactions and Permitted Transactions

(a) Two Participants may pre-arrange a Covered Package Transaction subject to the Rules outside the SEF Platform; provided, however, that each component of such Covered Package Transaction that is a Required Transaction must be executed on the SEF Platform via RFQT. A Covered Package that has a component that is a Block Trade is subject to the requirements of Rule 531.A.

(b) Two Participants may pre-arrange a Permitted Transaction subject to the Rules outside the SEF Platform, provided, however, that such Permitted Transaction must be executed on the SEF Platform via RFQT. Any Permitted Transaction that is a Block Trade is subject to the requirements of Rule 531.A.

RULE 532. Reporting to an SDR

(a) BSEF will report each Trade to an SDR after the execution of such Trade. For Cleared Swaps, BSEF will report all real-time information required by Part 43 of the CFTC Regulations and all creation data required by Part 45 of the CFTC Regulations. For any Trade subject to Allocation prior to or after execution, BSEF will report to an SDR only the bunched Trade and will not report any Swaps resulting from the Allocation.

(b) [Reserved]

(c) BSEF will report the actual notional or principal amount of a Block Trade to an SDR as set forth in Parts 43 and 45 of the CFTC Regulations.

(d) Each Participant that has executed on or pursuant to the Rules of the SEF operated by BSEF a Trade that is a Block Trade, shall be deemed to have elected for purposes of Parts 43 and 45 of CFTC Regulations to have such Block Trade reported to an SDR indicating a real-time reporting delay provided by Part 43 of the CFTC Regulations.

(e) Each Participant that is the Reporting Counterparty, or an Account Manager or broker for a Reporting Counterparty shall review the Trade details as soon as technologically practicable upon transmission of the Trade details to the Participant. The non-reporting counterparty shall report any errors in such Trade details to the Reporting Counterparty as soon as technologically practicable. The Reporting Counterparty shall report all errors in such Trade details to BSEF as soon as technologically practicable after finding or being made aware of any error or omission in the data as reported and/or maintained by an SDR. BSEF shall then submit the corrected data to an SDR.

(f) No Person, including BSEF, shall submit or agree to submit a cancellation or correction for the purpose of re-reporting Swap transaction and pricing data in order to gain or extend a delay in public dissemination of accurate Swap transaction or pricing data or to otherwise evade the reporting requirements in Part 43 of the CFTC Regulations.

(g) BSEF will report all Trades to DTCC Data Repository (U.S.) LLC, an SDR registered with the CFTC.

RULE 533. Cleared Swaps

(a) Each Cleared Swap shall be cleared through the Clearing House indicated in the Swap Contract Specification.

(b) For each Cleared Swap a Participant expects to enter into pursuant to the Rules, the Participant or an Account or Customer of the Participant must establish a clearing account with the Clearing House or with a Clearing Member of the Clearing House, in each case, designated in the Swap Contract Specification for such Cleared Swap.

(c) All Trades in Cleared Swaps by a Participant or its Account or Customer must be guaranteed to the Clearing House by a Clearing Member following the Clearing Member's acceptance of such Trade for clearing.

(d) BSEF shall submit each Trade to the Clearing House specified in the Swap Contract Specification. If BSEF receives a notice from the Clearing House rejecting a Trade for clearing, such Trade is *void ab initio*.

(e) BSEF will conduct pre-trade clearing checks for each Order before submitting an Order to an Order Book. BSEF will conduct pre-trade clearing checks on each RFQ before transmitting the RFQ to Recipient Participants. If an Order or an RFQ fails to satisfy the criteria established by the Clearing Member, BSEF will reject the Order or will not allow the RFQ to be sent.

(f) If manual affirmation of a Trade in Cleared Swaps is required prior to presentation of the Trade to a Clearing House, a Participant must affirm the Trade within five (5) minutes after the execution of the Trade.

RULE 534. Non-Cleared Swaps

(a) Any Participant that is a Swap Dealer or Major Swap Participant, or if neither Counterparty is a Swap Dealer or Major Swap Participant, the Participant that is the Reporting

Counterparty, that places an Order or sends or responds to an RFQ with respect to a Non-Cleared Swap shall ensure that there is a Non-Cleared Swap Agreement between the Participant or its Account or Customer, as applicable, and the prospective Counterparty to such Swap prior to placing such Order or sending or responding to such RFQ. A Participant will only be able to transact in Non-Cleared Swaps with another Participant if both Participants have entered into a Non-Cleared Swap Agreement with each other. Both Participants involved in execution of a Non-Cleared Swap (whether in a principal capacity or in their capacity as agents on behalf of their respective Accounts or Customers) shall, upon the request of BSEF, make available to BSEF any terms of such Non-Cleared Swap that are not reflected in the applicable Swap Contract Specification and shall comply with Order entry requirements for Non-Cleared Swaps that BSEF shall establish from time to time.

(b) Each Participant involved in a Prime Broker Trade must notify the Prime Broker as soon as technologically possible of each Prime Broker Trade executed pursuant to the Rules to which the Prime Broker is a Counterparty, and provide to the Prime Broker the Confirmation for the Prime Broker Trade issued by the SEF operated by BSEF.

RULE 535. Risk Controls

(a) BSEF may, in its sole discretion, reject any RFQ or Order or Block Trade placed or reported on the SEF Platform if such RFQ or Order or Block Trade is in violation of any Rule.

(b) BSEF shall have the right to take any action to reduce the potential of market disruption, including market restrictions that pause or halt trading in market conditions prescribed by BSEF if such action is in the best interest of the swap markets.

(c) BSEF shall have the right to cancel Trades executed at prices outside the No-Bust Range.

(d) If a Swap affected by any action of BSEF under this Rule 535 is fungible with, linked to, or a substitute for, other Swaps, BSEF may apply the same action to any such other Swaps.

(e) If a Swap is fungible with, linked to or a substitute for a financial instrument trading on another trading venue, including any trading venue regulated by the SEC (each, a “**Linked Swap**”), and such other trading venue placed risk controls on such financial instrument, BSEF shall have the right to place similar risk controls on the Linked Swap.

CHAPTER 6. DISCIPLINARY RULES

RULE 601. General

(a) Any Person is subject to this Chapter 6 if such Person is alleged to have violated, to have aided and abetted a violation, to be violating, or to be about to violate, any Rule or any provision of Applicable Law for which BSEF possesses jurisdiction.

(b) BSEF, through the Compliance Department, the Disciplinary Panel and the Appeals Panel, will conduct inquiries, investigations, disciplinary and appeals proceedings,

summary impositions of fines, summary suspensions or other summary actions in accordance with this Chapter 6.

(c) No SEF Official will interfere with or attempt to influence the process or resolution of any inquiry, investigation, disciplinary or appeals proceeding, summary imposition of fines, summary suspension or other summary action, except to the extent provided under the Rules with respect to a proceeding in which the SEF Official is a member of the relevant panel.

(d) Any Person that is served with a Notice of Charges under Rule 601 or a Draft Notice of Charges may be represented by counsel or any other representative of its choosing in all succeeding stages of the disciplinary process pursuant to this Chapter 6, except by any member of BSEF's Board or Disciplinary Panel, any SEF Employee, or any Person substantially related to the underlying investigation(s), such as a material witness or respondent.

(e) Pursuant to this Chapter 6, BSEF may hold a Participant liable for, and impose sanctions against such Participant, for such Participant's own acts and omissions that constitute a violation as well as for the acts and omissions of each (i) Authorized Trader of such Participant, (ii) Supervised Person of such Participant, (iii) other Person using the Trader ID or login credentials linked to the Participant or Participant ID, or (iv) other agent or representative of such Participant, in each case, that constitute a violation as if such violation were that of the Participant.

(f) Pursuant to this Chapter 6, BSEF may hold an Authorized Trader liable for, and impose sanctions against them, for such Authorized Trader's own acts and omissions that constitute a violation as well as or for the acts and omissions of any other agent or representative of such Authorized Trader that constitute a violation as if such violation were that of the Authorized Trader.

(g) A Person subject to a Disciplinary Panel or Appeals Panel proceeding (and any counsel or representative of such Person) and the Compliance Department (and any counsel or representative of the Compliance Department including the Regulatory Services Provider) shall not knowingly make or cause to be made an ex parte communication relevant to the merits of a disciplinary or appeals proceeding to any member of the Disciplinary Panel or Appeals Panel hearing such proceeding. Members of a Disciplinary Panel or Appeals Panel shall not knowingly make or cause to be made an ex parte communication relevant to the merits of a disciplinary or appeals proceeding to any Person subject to such proceeding (and any counsel or representative of such Person) and the Compliance Department (and any counsel or representative of the Compliance Department including the Regulatory Services Provider). Any Person who receives, makes or learns of any communication which is prohibited by this Rule shall promptly give notice of such communication and any response thereto to the Compliance Department and all parties to the proceeding to which the communication relates. A Person shall not be deemed to have violated this Rule if the Person refuses an attempted communication concerning the merits of a proceeding as soon as it becomes apparent the communication concerns the merits.

(h) In the event that the CCO has a material conflict of interest, as defined in Rule 210(b) in respect of any matter under Chapter 6 of the Rules, the CCO may appoint a member of the Compliance Department to carry out the CCO's duties instead with respect to that matter. If

such designee of the CCO is conflicted, then the Regulatory Oversight Committee shall appoint a member of the Compliance Department to carry out such duties in lieu of the CCO's designee.

RULE 602. Inquiries and Investigations

(a) The Compliance Department, with the assistance of the Regulatory Services Provider, if necessary, will conduct inquiries and, if applicable, investigations with respect to any matter within BSEF's jurisdiction of which it becomes aware or which the CFTC requests BSEF to investigate. The Compliance Department will determine the nature and scope of its inquiries and investigations within its sole discretion and will function independently of any commercial interests of BSEF. The Compliance Department's investigation must be completed within twelve (12) months of the date when the Compliance Department commenced its investigation unless there are mitigating factors that may reasonably justify an investigation taking longer than twelve (12) months, including the complexity of the investigation, the number of Participants or individuals involved as potential wrongdoers, the number of potential violations to be investigated, and the volume of documents and data to be examined and analyzed by the Compliance Department.

(b) The Compliance Department has the authority to:

(i) Initiate inquiries and investigations;

(ii) Prepare investigation reports and provide recommendations concerning initiating disciplinary proceedings;

(iii) Prosecute alleged violations if a disciplinary proceeding has been authorized; and

(iv) Represent BSEF on appeals of a Disciplinary Panel decision, the summary imposition of fines, summary suspension or other summary action.

(c) Each Participant, Account Manager, Authorized Trader, Supervised Person and Clearing Member:

(i) Is obligated to appear and testify and respond in Writing to requests for information within the time period required by the Compliance Department in connection with: (a) any Rule; (b) any inquiry or investigation; or (c) any preparation by and presentation during a disciplinary or appeals proceeding, summary imposition of fines, summary suspension or other summary action by BSEF;

(ii) Is obligated to produce books, records, papers, documents or other tangible evidence in its or their possession, custody or control within the time period required by the Compliance Department in connection with: (a) any Rule; (b) any inquiry or investigation; or (c) any preparation by and presentation during a disciplinary or appeals proceeding, summary imposition of fines, summary suspension or other summary action by BSEF; and

(iii) May not impede or delay any inquiry, investigation, disciplinary or appeals proceeding, summary imposition of fines, summary suspension or other summary action.

RULE 603. Investigation Reports

(a) The Compliance Department will maintain a Written log of all inquiries and investigations and their disposition. The Compliance Department will prepare a Written report of each inquiry and investigation, regardless of whether the evidence gathered during any inquiry or investigation forms a reasonable basis to believe that a violation within BSEF's jurisdiction has occurred or is about to occur or whether the evidence gathered results in closing the matter without further action or through summary action.

(b) Any such report prepared in accordance with Rule 603(a) will include (i) the reasons the inquiry or investigation was initiated; (ii) a summary of the complaint, if any; (iii) the relevant facts and evidence gathered; (iv) the Compliance Department's analysis, conclusions and recommendations; and (v) the Participant's disciplinary history at BSEF.

(c) For each potential respondent, the Compliance Department will recommend either (i) closing the investigation without further action; (ii) resolving the investigation through an informal disposition; or (iii) initiating disciplinary proceedings.

RULE 604. Warning Letters

(a) The CCO may issue a warning letter without the approval of a Disciplinary Panel in order to close an inquiry or investigation administratively.

(b) No more than one warning letter may be issued to the same Person or entity for the same Rule violation within a rolling twelve (12) month period.

(c) Warning letters must contain an affirmative finding that a Rule violation has occurred.

RULE 605. Review of Investigation Reports

(a) The CCO will timely review each investigation report received from the Compliance Department to determine whether a reasonable basis exists for finding that a violation of the Rules within BSEF's jurisdiction has occurred or is about to occur. Within thirty (30) business days of receipt of the investigation report the CCO must take one of the following actions:

(i) If the CCO determines that additional investigation or evidence is needed to decide whether a reasonable basis exists to find that a violation of the Rules within BSEF's jurisdiction has occurred or is about to occur, the CCO will promptly direct the Compliance Department to do at least one of the following:

(A) Conduct further investigation; and/or

(B) Gather any necessary new or additional information or evidence from the potential respondents.

(ii) The Compliance Department will revise the investigation report as necessary to reflect the additional information gathered pursuant to this paragraph (a) and will resubmit a revised proposed investigation report to the CCO.

(b) After receiving a completed investigation report, the CCO will determine for each potential respondent whether to:

(i) Refer the matter to the Disciplinary Panel for further determination;

(ii) Authorize the commencement of disciplinary proceedings because a reasonable basis exists to believe that a violation of the Rules within BSEF's jurisdiction has occurred or is about to occur and adjudication is warranted;

(iii) Authorize the summary disposition of the investigation because disciplinary proceedings are unwarranted, including issuance of a warning letter; or

(iv) Authorize the closing of the investigation without any action because no reasonable basis exists to believe that a violation of the Rules within BSEF's jurisdiction has occurred or is about to occur; in each case the CCO shall complete the investigation report in compliance with Rule 603.

(c) If the CCO determines that disciplinary proceedings should be authorized pursuant to Rule 605(b)(i), the CCO may in their discretion provide each potential respondent with a Written draft Notice of Charges ("**Draft Notice of Charges**") which shall contain all information required pursuant to Rule 607.

(d) The Draft Notice of Charges must be accompanied by a Written notice that shall inform the potential respondent:

(i) That an investigation report has been completed by the Compliance Department;

(ii) That a Notice of Charges will be served, in accordance with Rule 608, ten (10) business days after receipt of the Written notice;

(iii) That a settlement offer may be submitted pursuant to Rule 612; and

(iv) Of the respondent's right to a hearing if a Notice of Charges is served in accordance with Rule 608.

RULE 606. Emergency Disciplinary Actions

(a) BSEF may impose a sanction, including suspension, or take other summary action against a Person subject to its jurisdiction upon a reasonable belief that such immediate action is necessary to protect the best interests of BSEF.

(b) If practicable, the CCO will provide a respondent with Written notice before the action is taken, stating the action, the reasons for the action, and the effective time and date, and the duration of the action. The notice shall advise the respondent of its right to be represented by legal counsel or any other representative of its choosing (other than any member of the Disciplinary Panel or any Person substantially related to the disciplinary proceedings, such as a material witness or other respondent) in all proceedings subsequent to the emergency action taken. If the notice cannot be provided before the action is taken, BSEF will provide the notice at the earliest possible opportunity. The notice shall be served as provided in Rule 608.

(c) The respondent shall be given the opportunity for a hearing before the Disciplinary Panel as provided in Rule 616 as soon as reasonably practicable.

(d) Promptly following the hearing, the Disciplinary Panel shall render a Written decision based upon the weight of the evidence contained in the record of the proceeding. The decision shall include:

(i) A description of the summary action taken;

(ii) The reasons for the summary action;

(iii) A summary of the evidence produced at the hearing;

(iv) A statement of findings and conclusions;

(v) A determination that the summary action should be affirmed, modified, or reversed; and

(vi) A declaration of any action to be taken pursuant to the determination, and the effective date and duration of such action.

(e) Upon rendering a decision by the Disciplinary Panel, BSEF shall, within thirty (30) business days thereafter, provide a Written notice of such final decision to the respondent.

RULE 607. Notice of Charges

(a) If the CCO authorizes disciplinary proceedings pursuant to Rule 605(b)(i), the Compliance Department will prepare, and serve in accordance with Rule 608, a Notice of Charges.

(b) A Notice of Charges will:

(i) State the acts, practices or conduct that the respondent is alleged to have engaged in;

(ii) State the Rule alleged to have been violated or about to be violated;

(iii) State the proposed sanctions;

(iv) Advise the respondent of its right to a hearing;

(v) State the period of time within which the respondent can request a hearing on the Notice of Charges, which will not be less than twenty (20) business days after service of the Notice of Charges;

(vi) Advise the respondent that any failure to request a hearing within the period stated, except for good cause, will be deemed to constitute a waiver of the right to a hearing;

(vii) Advise the respondent that any allegation in the Notice of Charges that is not expressly denied will be deemed to be admitted; and

(viii) Advise the respondent of its right to be represented by legal counsel or any other representative of its choosing (other than any member of the Disciplinary Panel or any Person substantially related to the disciplinary proceedings such as a material witness or other respondent) in all succeeding stages of the disciplinary process.

RULE 608. Service of Notice of Charges

Any Notice of Charges or other documents contemplated to be served pursuant to this Chapter 6 may be served (and service shall be deemed complete) upon the respondent either personally or by leaving the same at its or the respondent's place of business, or by tracked delivery via reputable overnight courier, or by deposit in the United States mail, postage prepaid, via registered or certified mail addressed to the respondent at the address as it appears on the books and records of BSEF, or by electronic mail.

RULE 609. Answer to Notice of Charges

(a) If the respondent determines to answer a Notice of Charges, the respondent must file answers within twenty (20) business days after being served with such notice, or within such other reasonable time period determined appropriate by the CCO.

(b) To answer a Notice of Charges, the respondent must in Writing:

(i) Specify the allegations that the respondent denies or admits;

(ii) Specify the allegations that the respondent does not have sufficient information to either deny or admit;

(iii) Specify any specific facts that contradict the Notice of Charges;

(iv) Specify any affirmative defenses to the Notice of Charges; and

(v) Sign and serve the answer on the CCO.

(c) Any failure by the respondent to timely serve an answer to a Notice of Charges will be deemed to be an admission to the allegations in such notice. Any failure by the respondent to answer one or more allegations in a Notice of Charges will be deemed to be an admission of that allegation or those allegations. Any allegation in a Notice of Charges that the respondent fails to expressly deny will be deemed to be admitted. A statement of a lack of

sufficient information shall have the effect of a denial of an allegation. A general denial by the respondent, without more, will not satisfy the requirements of paragraph (b) above.

RULE 610. Admission or Failure to Deny Charges

(a) If respondent admits or fails to deny any of the charges, the Disciplinary Panel may find that the violations alleged in the Notice of Charges for which the respondent admitted or failed to deny any of the charges have been committed. The CCO then must take the following action:

- (i) Impose a sanction for each violation found to have been committed; and
- (ii) Promptly notify the respondent in Writing of any sanction to be imposed and advise the respondent that it may request a hearing on such sanction within a specified period of time.

(b) If a respondent fails to request a hearing within twenty (20) business days as specified in the notice described in 610(a)(ii), the respondent will be deemed to have accepted the sanction and will have waived any right to appeal such sanctions.

RULE 611. Denial of Charges and Right to a Hearing

BSEF shall provide to a respondent an opportunity for a hearing in accordance with the Rules in each case where a respondent has requested a hearing on a charge that is denied, or on a sanction set by the Disciplinary Panel.

RULE 612. Settlements

(a) Any offer of settlement should contain proposed findings and sanctions and be signed by a potential respondent/respondent and submitted to the CCO. A potential respondent/respondent may offer to settle disciplinary proceedings without admitting or denying the findings contained in a Draft Notice of Charges or a Notice of Charges, but must accept the jurisdiction of BSEF over it and over the subject matter of the proceedings and consent to the entry of the findings and sanctions imposed.

(b) A potential respondent may at any time within ten (10) business days of receipt of the Draft Notice of Charges specified in Rule 605, or at a later date as determined by the CCO in their reasonable discretion, propose in Writing an offer of settlement to anticipated disciplinary proceedings. The CCO must review an offer of settlement received pursuant to this paragraph (b) within thirty (30) business days after receipt of the offer of settlement. The CCO shall have discretion and be authorized to accept or reject an offer of settlement for \$100,000 or less for each violation on behalf of BSEF. The CCO is authorized to convene and forward the offer of settlement to the Disciplinary Panel with a recommendation on whether to accept or reject the offer of settlement. The potential respondent may withdraw such offer of settlement at any time before acceptance by the CCO.

(c) A respondent may at any time after receipt of a Notice of Charges, but before disciplinary proceedings have concluded, propose in Writing an offer of settlement to instituted disciplinary proceedings. If a respondent submits an offer of settlement after being served a

Notice of Charges pursuant to Rule 608, the CCO will forward the offer of settlement to the Disciplinary Panel with a recommendation on whether to accept or reject the offer of settlement. The Disciplinary Panel must review an offer of settlement received pursuant to this paragraph (c) or paragraph (b) above within ninety (90) business days, after the receipt of the offer of settlement by the CCO unless an extension was agreed by the respondent in Writing. The respondent may withdraw such offer of settlement at any time before final acceptance by the Disciplinary Panel. The Disciplinary Panel may review the offer of settlement and determine whether to accept or reject the offer of settlement in person, telephonically or in Writing.

(d) The Disciplinary Panel may accept an offer of settlement received pursuant to paragraph (b) or (c) of this Rule 612, respectively, but may not alter the terms of a settlement offer unless the potential respondent/respondent agrees.

(e) If an offer of settlement is accepted by the CCO or the Disciplinary Panel, a Written decision shall be issued by the CCO or the Disciplinary Panel, specifying:

(i) The Rule violations the Compliance Department/it has reason to believe were committed, including the basis or reasons of its conclusions;

(ii) Any sanction to be imposed, which must include full customer restitution where customer harm has been demonstrated; and

(iii) If applicable, that the potential respondent/respondent has accepted the sanctions imposed without either admitting or denying the Rule violations.

(f) In the event the Disciplinary Panel accepts an offer of settlement without the agreement of the Compliance Department, the Written decision must adequately support such acceptance.

(g) If an offer of settlement is accepted pursuant to this Rule and the related Written decision becomes final, the respondent's submission of the offer of settlement will be deemed to constitute a waiver of the right to notice, opportunity for a hearing and review and appeal under the Rules.

(h) If an offer of settlement of a potential respondent/respondent is not accepted by the CCO or the Disciplinary Panel, pursuant to paragraph (b) or (c) of this Rule, respectively, fails to become final or is withdrawn by the potential respondent/respondent, the matter will proceed as if the offer of settlement had not been made and the offer of settlement and all documents relating to it will not become part of the record. Neither a potential respondent/respondent nor the Compliance Department may use an unaccepted offer of settlement as an admission or in any other manner at a hearing of disciplinary proceedings.

RULE 613. Disciplinary Panel

(a) The Disciplinary Panel is responsible for adjudicating disciplinary cases pursuant to a Notice of Charges.

(b) Each Disciplinary Panel shall be composed of three (3) individuals selected by the CCO. If the CCO is conflicted and thus cannot appoint a Disciplinary Panel, a designee of the CCO will serve in lieu of the CCO. If the CCO's designee is conflicted, then a member of the Compliance team who is selected by the Regulatory Oversight Committee will serve in lieu of the CCO. Except in cases concerning the timely submission of accurate records, each Disciplinary Panel shall consist of at least one individual who would not be disqualified from serving as a Public Director, who shall chair the Disciplinary Panel. Each member of the Disciplinary Panel must comply with Rule 211. No member of the Compliance Department or Person involved in adjudicating any other stage of a proceeding or that has a financial, personal, or other direct interest in the matter under consideration shall participate in a Disciplinary Panel for such proceeding.

(c) A respondent may seek to disqualify any individual on the Disciplinary Panel for the reasons identified in the Rules or for any other reasonable grounds, by serving Written notice on the CCO. By not filing a request for disqualification within ten (10) business days, the respondent will be deemed to have waived any objection to the composition of a Disciplinary Panel. The CCO will decide the merits of any request for disqualification within their sole discretion. Any such decision will be final and not subject to appeal.

RULE 614. Convening Disciplinary Proceeding Hearings

(a) All disciplinary proceedings (except for summary impositions of fines pursuant to Rule 621) will be conducted at a hearing before the Disciplinary Panel. A hearing will be conducted privately, confidentially and fairly. Notwithstanding the confidentiality of hearings, the Disciplinary Panel may appoint an expert to attend any hearing and assist in deliberations if such expert agrees to be subject to an appropriate confidentiality agreement.

(b) After reasonable notice to each respondent, the Disciplinary Panel will promptly convene a hearing to conduct the disciplinary proceedings with respect to such respondent. Parties to a disciplinary proceeding include each respondent and the Compliance Department including BSEF enforcement staff.

(c) The chairperson of the Disciplinary Panel may continue, adjourn or otherwise conduct the hearing, as they may deem appropriate. The chairperson of the Disciplinary Panel will determine all procedural and evidentiary matters, including the admissibility and relevance of any evidence proffered. In determining procedural and evidentiary matters, the chairperson of the Disciplinary Panel need not apply the formal rules of evidence, but such hearing shall follow the procedures specified in Rule 616, and should not be so informal as to deny a fair hearing. Once admitted during the hearing, the Disciplinary Panel may consider, and attach the weight it believes appropriate to, evidence or other materials. The CCO, or its designee, will provide guidance to the chairperson of the Disciplinary Panel on the conduct of the hearing.

(d) Except for procedural and evidentiary matters decided by the chairperson of the Disciplinary Panel pursuant to paragraph (c) above and Rule 616, unless each respondent otherwise consents, the entire Disciplinary Panel must be present during the entire hearing and any related deliberations.

RULE 615. Respondent Review of Evidence

(a) Prior to the commencement of a Disciplinary Panel hearing, each respondent will be given the opportunity to review all books, records, documents, papers, transcripts of testimony and other tangible evidence in the possession or under the control of BSEF that the Compliance Department will use to support the allegations and proposed sanctions in the Notice of Charges or which the chairperson of the Disciplinary Panel deems relevant to the disciplinary proceedings. BSEF may withhold documents that:

- (i) Are privileged or constitute attorney work product;
- (ii) Were prepared by a SEF Employee, but will not be offered as evidence in the disciplinary proceedings;
- (iii) May disclose a technique or guideline used in examinations, investigations or enforcement proceedings; or
- (iv) Disclose the identity of a confidential source.

(b) If any books, records, documents, papers, transcripts of testimony, or other tangible evidence contain information that could adversely affect the competitive position of the Person providing the information or if such information might compromise other investigations being conducted by the Compliance Department, the Compliance Department may redact, edit or code such information before furnishing it to the respondent.

(c) Notwithstanding anything in paragraph (b) above to the contrary, the Compliance Department:

- (i) Will not redact, edit or code competitive or investigative information contained in documents in a manner that would impair the respondent's ability to defend against the allegations or proposed sanctions in the notices of charges; and
- (ii) Will provide the respondent with access to the information and portions of the documents that the Compliance Department intends to rely on to support the allegations or proposed sanctions in the Notice of Charges.

(d) For purposes of this Rule 615, information that could adversely affect the competitive position includes positions in Swaps currently held, trading strategies employed in establishing or liquidating positions, the identity of any Participant or Authorized Trader and the personal finances of the Person providing the information.

RULE 616. Conducting Disciplinary Proceeding Hearings

(a) At a hearing conducted in connection with any disciplinary proceeding, the Compliance Department will present its case supporting the allegations and proposed sanctions in the Notice of Charges to the Disciplinary Panel. If a respondent has timely filed an answer to the Notice of Charges in accordance with Rule 609, the respondent is entitled to attend and participate in the hearing.

(b) At a hearing conducted in connection with any disciplinary proceedings, the Disciplinary Panel or the Compliance Department and each respondent may:

(i) Present evidence and facts determined relevant and admissible by the chairperson of the Disciplinary Panel;

(ii) Call and examine witnesses; and

(iii) Cross-examine witnesses called by other parties.

(c) Any Person within BSEF's jurisdiction who is called as a witness must participate in the hearing and produce evidence. BSEF will make reasonable efforts to secure the presence of all other Persons called as witnesses whose testimony would be relevant.

(d) If the respondent fails to file an answer, has filed a general denial, or if any or all of the allegations in the Notice of Charges are not expressly denied in the respondent's answer, the chairperson of the Disciplinary Panel may limit evidence concerning any allegations not expressly denied in determining the sanctions to impose. If a respondent fails to file an answer but appears at the hearing, the respondent may not participate in the hearing (by calling or cross examining witnesses, testifying in defense, presenting evidence concerning the Notice of Charges, or otherwise) unless the Disciplinary Panel determines that the respondent had a compelling reason for failing to timely file an answer. If the Disciplinary Panel determines that the respondent had a compelling reason for failing to timely file an answer, the Disciplinary Panel will adjourn the hearing and direct the respondent to promptly file a Written answer in accordance with Rule 609.

(e) Any Person entitled, or required or called upon, to attend a hearing before a Disciplinary Panel pursuant to paragraph (b)(ii) above will be given reasonable notice, confirmed in Writing, specifying the date, time and place of the hearing, and the caption of the disciplinary proceedings. BSEF will require all Participants (that are individuals), Customers, Account Managers, Clearing Members, Authorized Traders and Supervised Persons that are called as witnesses to appear at the hearing and produce evidence. BSEF will make reasonable efforts to secure the presence of all other Persons called as witnesses whose testimony would be relevant.

(f) If during any disciplinary proceedings the Disciplinary Panel determines that a reasonable basis exists to believe that the respondent violated or is about to violate a Rule other than the violations alleged in the Notice of Charges, the Disciplinary Panel may consider those apparent violations after providing the respondent with an opportunity to answer the additional allegations in accordance with Rule 609. In connection with considering apparent violations pursuant to this paragraph (f), the Disciplinary Panel may request that the Compliance Department provide the Disciplinary Panel with any additional information.

(g) The Disciplinary Panel may summarily impose sanctions on any Person within its jurisdiction that impedes or delays the progress of a hearing.

(h) BSEF will arrange for any hearing conducted in connection with disciplinary proceedings to be recorded verbatim, or substantially verbatim, in a manner capable of accurate transcription. If the respondent requests a copy of all or portions of the recording of a hearing,

the chairperson of the Disciplinary Panel may within their sole discretion order the respondent to pay the costs for transcribing the recording of the hearing.

(i) As promptly as reasonable following a hearing, the Disciplinary Panel will issue a Written decision rendering its decision based on the weight of the evidence contained in the record of the disciplinary proceedings. A decision by a majority of the Disciplinary Panel will constitute the decision of the Disciplinary Panel.

(j) No interlocutory appeals of rulings of any Disciplinary Panel are permitted.

(k) If the respondent has requested a hearing, a copy of the hearing shall be made and shall become a part of the record of the proceeding. The record shall not be required to be transcribed unless:

(i) The transcript is requested by CFTC staff or the respondent;

(ii) The decision is appealed pursuant to the Rules; or

(iii) The decision is reviewed by the CFTC pursuant to section 8c of the CEA or Part 9 of CFTC Regulations.

In all other instances, a summary record of a hearing is permitted.

RULE 617. Decision of Disciplinary Panel

(a) Promptly following the hearing, the Disciplinary Panel shall render a Written decision based upon the weight of the evidence contained in the record of the proceeding. The decision shall include:

(i) The Notice of Charges or a summary of the charges;

(ii) The answer, if any, or a summary of the answer;

(iii) A summary of the evidence produced at the hearing or, where appropriate, incorporation by reference of the investigation report;

(iv) A statement of findings and conclusions with respect to each charge, and a complete explanation of the evidentiary and other basis for such findings and conclusions with respect to each charge;

(v) An indication of each specific Rule that the respondent was found to have violated; and

(vi) A declaration of all sanctions imposed against the respondent, including the basis for such sanctions and the effective date of such sanctions.

(b) Upon rendering a decision by the Disciplinary Panel, BSEF shall, within thirty (30) business days thereafter, provide a Written notice of such action to the respondent.

(c) The Written decision will become final twenty (20) business days after it is served on the respondent and a copy thereof is provided to the Compliance Department. BSEF shall cause any or all of the Written decision to be final prior to such date if the CCO reasonably believes that such action pursuant to Rule 806 is necessary to protect the best interests of the SEF operated by BSEF.

RULE 618. Sanctions

(a) After notice and opportunity for hearing in accordance with the Rules, BSEF will impose sanctions on the respondent, including any Participant, Account Manager, Authorized Trader, Supervised Person, Account, Customer, Clearing Member or other Person using any Trader ID or login credentials linked to the Participant that is found to have violated or to have attempted to violate a Rule. Subject to the limitations set forth in Rule 618(b), BSEF may impose one or more of the following sanctions or remedies: (i) censure; (ii) limitation on Trading Privileges, Trading Access or other activities, functions or operations; (iii) suspension of Trading Privileges or Trading Access; (iv) fine (subject to paragraph (b) below); (v) disgorgement; (vi) termination of Trading Privileges or Trading Access; (vii) in the event of Customer harm, full Customer restitution, except where the amount of restitution or to whom it should be provided cannot reasonably be determined; or (viii) any other sanction or remedy deemed to be appropriate. All sanctions, including those imposed pursuant to an accepted settlement offer, shall take into account respondent's disciplinary history.

(b) BSEF may impose a fine of up to \$100,000 for each violation of a Rule. If a fine or other amount is not paid within thirty (30) business days of the date that it becomes payable, then interest will accrue on the sum from the date that it became payable at the quoted prime rate plus three (3) percent. BSEF has sole discretion to select the bank on whose quotations to base the prime rate. Each Participant will be responsible for paying any fine or other amount imposed on, but not paid by, any of its Authorized Traders, Account Managers, Supervised Persons, Accounts or Customers. The following schedule lists the recommended fines that BSEF may impose:

Type of Violation	Fine Per Occurrence ¹		
	First Violation	Second Violation	Third Violation
Failure to provide information to BSEF as required by the Rules	\$5,000	\$10,000	\$15,000
Impeding or delaying a BSEF examination, inquiry or investigation undertaken pursuant to Rule 402	\$5,000	\$10,000	\$15,000

RULE 619. Costs

(a) Regardless of the outcome of any disciplinary proceeding, the Disciplinary Panel may order a respondent to pay some or all of the costs associated with the disciplinary proceedings that the Disciplinary Panel believes were unnecessarily caused by the respondent. Costs may include costs associated with the inquiry or investigation, the prosecution by the

Compliance Department, legal and professional assistance, as well as the hearing and administrative costs and other expenses incurred by the Disciplinary Panel.

(b) The Disciplinary Panel may only award costs against BSEF if the Panel concludes that BSEF has behaved in a manifestly unreasonable manner in the commencement or conduct of the disciplinary proceedings in question. The Disciplinary Panel must limit any award of costs against BSEF to an amount that the Panel concludes is reasonable and appropriate, but does not exceed the respondent's costs for external legal or other external professional assistance.

(c) The Disciplinary Panel may determine the amounts and allocation of costs in any manner it may deem appropriate. BSEF or the respondent will pay any costs ordered to be paid by it by the Disciplinary Panel within thirty (30) business days of Written notice of the amount imposed by the Disciplinary Panel.

RULE 620. Right to Appeal Disciplinary Panel Decision, Summary Impositions of Fines and Other Summary Actions

(a) Each respondent found by the Disciplinary Panel to have violated (or, in the case of a Participant, whose Authorized Trader, Supervised Person or other Person using its Participant ID was found to have violated) a Rule or who is subject to termination or limitation of Trading Privileges or Trading Access imposed pursuant to Rule 305, any summary fine imposed pursuant to this Chapter 6, or any summary action imposed pursuant to Rule 622 may appeal the decision within twenty (20) business days of receiving the Written decision of the Disciplinary Panel or the notice of summary action, as the case may be, by filing a notice of appeal with the CCO.

(b) BSEF may appeal all or any part of a decision of the Disciplinary Panel, including any sanctions that may or may not have been imposed by the Disciplinary Panel, within twenty (20) business days of receiving the Written Decision of the Disciplinary Panel, by filing a notice of appeal with the CCO.

(c) While an appeal is pending, the effect of the Written decision of the Disciplinary Panel or the summary action (including any sanctions, remedies or costs imposed thereby) shall be suspended.

(d) The notice of appeal must state in writing the grounds for appeal, including the findings of fact, conclusions or sanctions to which the appellant objects. An appellant may appeal the Written decision of the Disciplinary Panel or any summary action on the grounds that:

(i) The Written decision or summary action was arbitrary, capricious, an abuse of discretion, or not in accordance with the Rules;

(ii) The Written decision or summary action exceeded the authority or jurisdiction of the Disciplinary Panel, the CCO or BSEF;

(iii) The Written decision or summary action failed to observe required procedures;

(iv) The Written decision or summary action was unsupported by the facts or evidence; or

(v) The sanctions, remedies or costs which were imposed were inappropriate or unsupported by the record.

(e) The CCO will forward copies of any notice of appeal received by it to all parties to the disciplinary proceeding or summary action, as the case may be, except the appellant. On or before the 20th day after filing a notice of appeal, the appellant must file with the CCO and serve on BSEF a brief supporting the notice of appeal and documents supporting the brief. On or before the 20th day after the date on which the appellant serves its supporting brief, the appellee must file and serve its brief in opposition. On or before the 10th day after the date on which the appellee serves its brief in opposition, the appellant must file and serve on BSEF a brief in reply.

(f) In connection with any appeal, BSEF will furnish to the CCO and to the respondent/appellant a transcript of the hearing, any exhibits introduced at the hearing, the notice of appeal and briefs filed to support and oppose the appeal.

(g) No later than thirty (30) business days after the last submission filed pursuant to paragraph (e) of this Rule 620, the CCO will appoint an Appeals Panel to consider and determine the appeal. If the CCO is conflicted, a designee of the CCO will perform such duties in lieu of the CCO. If the CCO's designee is conflicted, then a member of the Compliance team who is selected by the Regulatory Oversight Committee will perform such duties in lieu of the CCO's designee. An Appeals Panel shall be comprised of three (3) individuals, none of whom shall be a member of the Compliance Department or have been a member of any Disciplinary Panel involved in the matters on appeal. The chairperson of the Appeals Panel shall be an individual who would not be disqualified from serving as a Public Director.

(h) Within ten (10) business days of being notified of the appointment of the Appeals Panel, an appellant or appellee may seek to disqualify any individual named to the Appeals Panel for the reasons identified in the Rules, by serving Written notice on the CCO. By not timely filing a request for disqualification, the appellant or appellee will be deemed to have waived any objection to the composition of the Appeals Panel. The CCO will decide the merits of any request for disqualification within their sole discretion. Any such decision will be final and not subject to appeal.

(i) The appeals proceeding must be conducted before all members of the Appeals Panel. The Appeals Panel may hold a hearing to allow parties to present oral arguments. Any hearing will be conducted privately and confidentially. Notwithstanding the confidentiality of hearings, the Appeals Panel may appoint an expert to attend any hearing and assist in the deliberations if such individual(s) agree to be subject to appropriate confidentiality agreements. In determining procedural and evidentiary matters, the Appeals Panel will not be bound by evidentiary or procedural rules or law.

(j) The Appeals Panel will only consider on appeal the record before the Disciplinary Panel or, in the case of a summary action, the record considered by the CCO, the notice of appeal, the briefs filed in support and opposition of the appeal, and any oral arguments of the parties. The Appeals Panel may only consider new evidence when the Appeals Panel is satisfied

that good cause exists for why the evidence was not introduced during the disciplinary proceeding or when imposing the summary action.

(k) After completing its review, the Appeals Panel may affirm, modify or reverse any Written decision of the Disciplinary Panel or summary action under appeal, in whole or in part, including increasing, decreasing or eliminating any sanction or remedy imposed, imposing any other sanction or remedy authorized by the Rules, or remanding the matter to the same or a different Disciplinary Panel for further disciplinary proceedings or for reconsideration by the CCO in the case of summary action. The Appeals Panel may order a new hearing for good cause or if the Appeals Panel deems it appropriate.

(l) As promptly as reasonably possible following its review, the Appeals Panel will issue a Written decision on appeal rendering its decision based on the preponderance of the evidence before the Appeals Panel and provide the copy of the decision to the respondent. The decision of the Appeals Panel will include a statement of findings of fact and conclusions for each finding, sanction, remedy and cost reviewed on appeal, including each specific Rule and provision of Applicable Law that the respondent is found to have violated, if any, and the imposition of sanctions, remedies and costs, if any, and the effective date of each sanction, remedy or cost. The decision issued by the Appeals Panel will adhere to the requirements of Rule 617(a) to the extent that a different conclusion is reached from that issued by the Disciplinary Panel.

(m) The Appeals Panel's Written decision on appeal (including findings of fact and conclusions and the imposition of sanctions, remedies and costs, and the effective date of any sanction, remedy and cost) will be the final action of BSEF and will not be subject to appeal within BSEF.

RULE 621. Summary Imposition of Fines

(a) The CCO may summarily impose a fine against a Participant, Account Manager, Authorized Trader, Supervised Person, Account, Customer, Clearing Member or other Person using any Trader ID or login credentials linked to the Participant for failing to:

- (i) Make timely payments of fees, cost, charges or fines to BSEF;
- (ii) Make timely and accurate submissions to BSEF of notices, reports or other information required by the Rules; or
- (iii) Keep any books and records required by the Rules.

(b) The Compliance Department, acting on behalf of the CCO, will give notice of any fine imposed pursuant to this Rule 621 to each Participant subject thereto. The notice will specify (i) the violations of the Rules for which the fine is being imposed, (ii) the date of the violation for which the fine is being imposed and (iii) the amount of the fine. Within twenty (20) business days of serving the notice of fine, the Participant must either pay or cause the payment of the fine. The fine will become final upon the expiration of twenty (20) business days after the notice of fine is served on the Participant, Account Manager, Authorized Trader, Supervised

Person, Account, Customer, Clearing Member or other Person using any Trader ID or login credentials linked to the Participant.

(c) BSEF will set the amount of any fines imposed pursuant to this Rule 621, with the maximum aggregate amount of summary fines to be assessed for each Rule violation (which may be aggregated in the reasonable discretion of the Disciplinary Panel, CCO or their designee) described below not to exceed \$30,000 on an annual basis. Summary imposition of fines pursuant to this Rule 621 will not preclude BSEF from bringing any other action against the Participant (or any of its Account Managers, Authorized Traders or Supervised Persons) or Authorized Trader, as the case may be. The following schedule lists the recommended summary fines that BSEF or the CCO (or their designee) may impose for each type of violation described below:

Type of Violation	Fine Per Occurrence ²		
	First Summary Fine	Second Summary Fine	Third Summary Fine
Failure to maintain complete and accurate books and records as required by Rule 409.A (Participant and Clearing Member Books and Records)	\$5,000	\$10,000	\$15,000

Failure to comply with Rules 516.A (Trade Cancellation, Correction, Offset and Adjustment – Cleared Swaps), 516.C (Erroneous Trade Cancellation, Correction and Adjustment – Non-Cleared Swaps), and 516.D (Prime Broker Trades)	\$5,000	\$10,000	\$15,000

² Within a “rolling” 12-month period.

(d) A Participant is eligible for the summary imposition of fines as described in paragraph (a) of this Rule 621 only if BSEF did not serve on the Participant any Notice of Charges pursuant to Rule 607 that alleges a failure described in paragraphs (a)(i) through (a)(iii) of this Rule 621 for a continuous thirty-six (36) month period (the "**Qualifying Period**").

(e) A Participant may become re-eligible for summary imposition of fines as described in paragraph (a) of this Rule 621 after the end of the Qualifying Period; provided, however, that BSEF's CCO may in their sole discretion extend the Qualifying Period for any period of time, including indefinitely, where a failure described paragraphs (a)(i) through (a)(iii) of this Rule 621 does not qualify for a summary imposition of fines due to aggravating circumstances, including actions or omissions of a Participant or its Account Manager, Customer or any agent that aggravated such failure.

RULE 622. Hearings Involving BSEF-Affiliated Trading Entities

(a) No SEF Employee that is also an employee of an Affiliate of BSEF that engages in trading activity on the SEF or the SBSEF operated by BSEF shall perform an investigation of such affiliated trading entity.

(b) In the event that a Disciplinary Panel is convened for a hearing involving an affiliated trading entity, no Person associated with BSEF or such affiliated trading entity shall be a member of such Disciplinary Panel.

(c) The Board must approve the issuance of disciplinary charges and acceptance of settlement offers involving an affiliated trading entity.

RULE 623. Notification of Final Disciplinary Action Involving Financial Harm to a Customer

Upon any Final Disciplinary Action in which BSEF finds that a Participant has committed a Rule violation that involved a transaction for a Customer, whether executed or not, and that resulted in financial harm to the Customer, BSEF shall promptly provide Written notice of the disciplinary action to the Participant, which Notice shall include the principal facts of the disciplinary action and a statement that BSEF has found that the Participant has committed a Rule violation that involved a transaction for the Customer, whether executed or not, and that resulted in financial harm to the Customer. Any Participant that has received such Written notice from BSEF, shall promptly provide Written notice of the Final Disciplinary Action to the Customer, as disclosed on the Participant's books and records.

RULE 624. Notice to the Respondent, the Regulatory Services Provider and the Public

If BSEF issues a Final Disciplinary Action against a Participant or takes final action with respect to a denial of access of a Person to any services offered by the SEF operated by BSEF, then BSEF must, within thirty (30) business days thereafter, provide Written notice of such action to the Person against whom the action was taken and notice to the NFA through the NFA's Background Affiliation Status Information Center ("**BASIC**") system. No final disciplinary or

access denial action may be made effective by BSEF except as provided in CFTC Regulation 9.12.

CHAPTER 7. ARBITRATION

RULE 701. General

(a) Except as otherwise provided in the Rules, including in the case of a decision rendered by BSEF which cannot be further appealed, Participants, Authorized Traders and any market participant that directly or indirectly effects a transaction pursuant to the Rules shall submit to the NFA for arbitration all disputes, controversies and claims between or among themselves arising out of a Swap or the use of the systems or services of BSEF or the services, equipment, or facilities used to support such systems or services, including the SEF operated by BSEF (each, a “**Dispute**”). Any such claim against a Participant shall be brought within two (2) years from the time that a cause of action has accrued. This Rule 701 shall in no way be construed to create a cause of action and shall not authorize an action that would otherwise be prohibited by the Rules or Applicable Law. In the event that this Rule 701 is held to be unenforceable in connection with any Dispute or a claim is deemed by a court of competent jurisdiction to be not arbitrable, (i) exclusive jurisdiction for any such Dispute will reside in any state or federal court sitting in New York County, New York, (ii) the Participants involved in the Dispute will be presumed to have submitted to the personal jurisdiction of any such court, and (iii) an action to enforce any judgment or decision of such court may be brought in the same court or in any other court with jurisdiction or venue. Finally, all Participants unconditionally and irrevocably waive any and all right to trial by jury in connection with any such Dispute.

(b) Notwithstanding the foregoing, this Rule 701 does not apply to Disputes between Participants, Authorized Traders or any market participant that directly or indirectly effects a transaction pursuant to the Rules when: (i) such Persons are required by the rules of a Self-Regulatory Organization to submit to the Dispute resolution procedures of that Self-Regulatory Organization; or (ii) such Persons have, by valid and binding agreement, committed to negotiate or litigate in a forum other than the forum set out in Rules 701 and 702.

RULE 702. Forum and Arbitration Rules

The NFA will conduct any and all arbitrations of a type described in Rule 701 pursuant to NFA’s Member Arbitration Rules, as if each Participant or Authorized Trader to such arbitration was an “NFA Member.”

RULE 703. Initiating an Arbitration Claim

(a) A Participant or Authorized Trader may initiate an arbitration claim by submitting the required documents and fees to NFA.

(b) A Participant or Authorized Trader submitting an arbitration claim shall provide notice of such claim to BSEF.

RULE 704. Claims Relating to Trade Cancellations or Price Adjustments

Subject to Rule 901, all claims relating to Trade cancellations pursuant to Rule 516 shall be arbitrated in accordance with this Chapter 7.

RULE 705. Penalties

(a) Any failure on the part of any Participant or Authorized Trader to arbitrate a case subject to arbitration, or the commencement by any such Participant or its Person of a suit in any court prior to arbitrating a case subject to arbitration, violates the Rules and subjects such Person to disciplinary proceedings pursuant to Chapter 6.

(b) BSEF may summarily suspend, pursuant to Chapter 6, a Participant or Authorized Trader that fails to satisfy an arbitration award rendered in any arbitration conducted pursuant to this Chapter 7.

CHAPTER 8. MISCELLANEOUS

RULE 801. Anti-Money Laundering and Anti-Terrorism

(a) A Participant shall not engage in or knowingly assist any money laundering or other illicit business, or engage in or knowingly assist, or be a conduit for, terrorist financing.

(b) Participants will be required to provide sufficient information for Participants and their Accounts, if applicable, for BSEF to conduct restricted list searches, including searches against the Specially Designated Nationals and Blocked Persons list maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury.

RULE 802. Gifts and Gratuities

Except as permitted in Writing by the CCO, no Participant or Authorized Trader shall, directly or indirectly, give or permit to be given anything of value (including gratuities) to a SEF Official or BSEF, including any agents or independent contractors of BSEF. A gift of any kind is considered a gratuity.

RULE 803. Market Data

(a) Subject to each Participant's rights in Participant's own data (and the data of its Accounts and Customers) as set forth in the Participant Documentation, BSEF shall own all rights, title and interest, database rights and trade secret rights in and to all data and other information contained in, displayed on, generated by or derived from the SEF operated by BSEF or Trades entered into pursuant to the Rules, including Orders, prices and volumes ("SEF Data").

(b) Participants and Authorized Traders shall not, and shall cause their Affiliates, Accounts and Customers not to, distribute, sell or retransmit SEF Data or other information obtained via the SEF operated by BSEF, provided that any such restrictions shall not apply to Participant's own data (and the data of its Accounts and Customers).

(c) BSEF may at any time restrict or establish utilization fees in respect of SEF Data and/or the format and presentation thereof with respect to Participants, Customers or Accounts, provided that any such fees shall not apply to Participants' use of Participant's own data (and the data of its Accounts and Customers).

(d) Subject to Rule 805 and CFTC Regulations, BSEF may make SEF Data and other information it may deem appropriate available to Participants and other Persons at such times and in such manner (whether through the SEF Platform, a ticker, financial information services or otherwise) as it may consider necessary or advisable from time to time. Each Participant or other Person receiving any such information through the SEF operated by BSEF may redistribute such information only to such extent and in such manner as may be permitted by BSEF from time to time.

RULE 804. Prohibited Use of Data Collected for Regulatory Purposes

BSEF shall not use for business or marketing purposes any proprietary data or personal information it collects or receives, from or on behalf of any Person, for the purpose of fulfilling its regulatory obligations; provided, however, that BSEF may use such data or information for business or marketing purposes if the Person from whom it collects or receives such data or information clearly consents in Writing to BSEF's use of such data or information in such manner. BSEF shall not condition access to its market(s) or market services on a Person's consent to BSEF's use of proprietary data or personal information for business or marketing purposes. BSEF, where necessary for regulatory purposes, may share such data or information with one or more SEFs or DCMs registered with the CFTC, or any Self-Regulatory Organization, including but not limited to any Regulatory Services Provider.

RULE 805. Confidentiality

(a) All non-public information provided by a Participant or Authorized Trader to BSEF shall be held in confidence and shall not be made known to any other Person except as follows:

- (i) With the consent of the Participant or Authorized Trader providing such information;
- (ii) To a Governmental Body if BSEF is requested or legally required to do so by such Governmental Body;
- (iii) Pursuant to a lawful discovery request;
- (iv) To a Clearing House of which such Participant is a member or in connection with the clearing of a Swap;
- (v) To other Participant(s) to facilitate Participant's trading on the SEF operated by BSEF;
- (vi) To an SDR;

(vii) Subject to appropriate confidentiality requirements, to any Person providing services to BSEF, including the Regulatory Services Provider, which may also use such information for the purpose of performing its obligations and responsibilities as a registered futures association;

(viii) Pursuant to an information-sharing agreement or other arrangement or procedures in accordance with Rule 213;

(ix) Subject to appropriate confidentiality requirements, to SEF Employees, the Board, Board committees, Disciplinary Panels, Appeals Panels, BSEF Officers, attorneys, auditors, and agents, independent contractors or other Persons that have been engaged by BSEF, in each case, who require such information in connection with the discharge of their duties to BSEF; and

(x) As otherwise permitted under the Rules.

(b) All information and data obtained or received by BSEF from inspections of accounting and other records will be treated as confidential by BSEF; provided, however, this Rule does not supplant Rule 212 (Emergency Rules) and the Rules in Chapter 6 (Disciplinary Rules), or any other requirement of legal process or law.

RULE 806. Extension or Waiver of the Rules

If necessary and expedient, the CCO may, in its sole discretion, reasonably waive, or extend the time period for performing, any act or acts designated by the Rules, but only to the extent such waiver or extension is not inconsistent with the CEA or the CFTC Regulations. If such waiver or extension is granted, the CCO shall document in Writing the rationale and reasons for such waiver or extension and maintain such Written documentation in BSEF's books and records.

RULE 807. Effect of Amendment, Repeal or New Rule

(a) If an amendment or repeal of a Rule or adoption of a new Rule does not materially change the terms or conditions of a Swap and does not affect the value of open Swaps, then the effective date of any amendment or repeal of a Rule or adoption of a new Rule relating to Swaps is binding on all Swaps entered into before and after the effective date of such amendment, repeal or adoption and, to the extent applicable, before the effective date of such amendment, repeal or adoption.

(b) If an amendment or repeal of a Rule or adoption of a new Rule materially changes the terms or conditions of an open Swap or affects the value of open Swaps, then the amendment, repeal or new Rule shall not affect any open Swaps and shall be binding only on new Swaps listed for trading after the effective date of such amendment, repeal or adoption, and Swaps listed as of the effective date of such amendment, repeal or adoption with no open positions then in existence, unless otherwise specifically provided by the Board.

RULE 808. Swap Contract Specifications

(a) BSEF shall permit trading on the SEF operated by BSEF only in swaps that are not readily susceptible to manipulation. To demonstrate to the CFTC compliance with the requirements of this Rule 808(a), BSEF shall, at the time it submits a new swap in advance to the CFTC pursuant to Part 40 of the CFTC Regulations, provide applicable information as described in Appendix C to Part 38 of the CFTC Regulations – Demonstration of Compliance That a Contract is Not Readily Susceptible to Manipulation.

(b) Notwithstanding any provision of the Rules to the contrary, the Swap Contract Specification with respect to a particular Swap shall govern the applicability of the Rules to trading in such Swap and, in the event of any conflict between the Rules and the Swap Contract Specification, the Swap Contract Specification shall govern with respect to trading in the relevant Swap.

(c) The Swap Contract Specification for each individual Swap may specify:

(i) Different classes of Participants eligible to trade such Swaps. Each such class of Participants shall have the rights and obligations specified by the Swap Contract Specification for each such Swap;

(ii) Terms and conditions of a Swap that include the definition of the trading unit, description of the payments to be exchanged under a Swap, specification of cash settlement or delivery standards and procedures, and establishment of buyers' and sellers' rights and obligations under the Swap. (A) Identification of the major group, category, type or class in which the Swap falls and of any further sub-group, category, type or class that further describes the Swap;

(B) Notional amounts, quantity standards, or other unit size characteristics;

(C) Any applicable premiums or discounts for delivery of nonpar products;

(D) Trading hours and the listing of Swaps;

(E) Pricing basis for establishing the payment obligations under, and mark-to-market value of, the Swap including, as applicable, the accrual start dates, termination or maturity dates, and, for each leg of the Swap, the initial cash flow components, spreads, and points, and the relevant indexes, prices, rates, coupons, or other price reference measures;

(F) Any price limits, trading halts, or circuit breaker provisions, and procedures for the establishment of daily settlement prices;

(G) Speculative position limits, position accountability standards, and position reporting requirements, including an indication as to whether the Swap meets the definition of economically equivalent swap as defined in CFTC Regulation 150.1, and, if so, the name of either the core referenced futures contract or referenced contract, as applicable, to which the Swap submitted under Part 40 of the CFTC Regulations is economically equivalent.

(H) Payment and reset frequency, day count conventions, business calendars, and accrual features;

(I) If physical delivery applies, delivery standards and procedures, including fees related to delivery or the delivery process, alternatives to delivery and applicable penalties or sanctions for failure to perform;

(J) If cash settled, the definition, composition, calculation and revision of the cash settlement price, and the settlement currency;

(K) Option exercise price, if it is constant, and method for calculating the exercise price, if it is variable;

(L) Threshold prices for an option, the existence of which is contingent upon those prices;

(M) Any restrictions or requirements for exercising an option; and

(N) Life cycle events.

(d) Each Swap Contract Specification will be published by BSEF on its website.

(e) Swap Contract Specifications are incorporated into the Rules by reference and each Swap Contract Specification constitutes a Rule.

RULE 809. Timely Publication of Trading Information

(a) BSEF will publish a Daily Market Report for each Trading Day. The Daily Market Report will be published on BSEF's website as soon as reasonably practicable on the next CFTC Business Day after the Trading Day to which the information pertains, but in no event later than 7 a.m. on the next CFTC Business Day.

(b) Except where indicated, BSEF does not calculate Daily Settlement Price.

(c) BSEF uses the following indicators for pricing:

(i) "P" indicates that the price is represented as a premium.

(ii) "V" indicates that the price is represented as a percentage.

(iii) "O" indicates that the price is represented as neither a premium nor a percentage.

(d) If more than one Swap transaction was executed at the same time, and this time is the time of (i) the first execution on the SEF Platform for a Trading Day, BSEF will report the lowest price as an Opening Price; or (ii) the last execution on the SEF Platform for a Trading Day, BSEF will report the highest price as a Closing Price.

(e) Prices for rate Swaps constituting legs of a Package Transaction executed via the BOLT functionality of the SEF Platform are not included into a Daily Market Report if a premium (net present value) is not allocated to each leg.

RULE 810. Governing Law, Jurisdiction and Dispute Resolution

(a) Unless preempted by the CEA, the law of the State of New York governs the Rules and any Participant Documentation regardless of the laws that would otherwise apply under choice-of-law principles. If a Participant provides an opinion of a counsel (i) stating that the Participant cannot be subject to the law of the State of New York and must be subject to the law of the jurisdiction of the location where the Participant is organized (the “**Local Law**”) and (ii) enumerating specific provisions of the Rules or the Participant Documentation that must be subject to the Local Law, BSEF will specify the application of the Local Law to the enumerated specific provisions of the Rules and the Participant Documentation; provided, however, that in no event shall Local Law supersede any provision of the CEA.

(b) Any dispute between BSEF and a Participant or any market participant that directly or indirectly effects a transaction pursuant to the Rules which arises from or in connection with the Rules or use of the SEF operated by BSEF must be brought to arbitration pursuant to paragraph (c) of this Rule 810 within one (1) year from the occurrence of the event giving rise to the dispute. This Rule 810 shall in no way create a cause of action nor authorize an action that would otherwise be prohibited by the Rules.

(c) Any dispute between BSEF and a Participant or any market participant that directly or indirectly effects a transaction pursuant to the Rules that arises from or in connection with the Rules will be settled by arbitration administered in New York County, New York by the American Arbitration Association (“**AAA**”) under its Commercial Arbitration Rules. The dispute will be submitted to one arbitrator who will be appointed by the AAA. Any arbitrator appointed for purposes of this Rule 810 will have experience with and knowledge of commodities, derivatives and swaps as listed on the National Roster of Arbitrators kept in the AAA’s records. Judgment on the award rendered by the arbitrator will be binding on the parties and may be entered in any state or federal court sitting in New York County, New York, and BSEF and each Participant shall be deemed to have consented to the personal jurisdiction of any such court. Each party to the dispute will bear its own costs and expenses in connection with any arbitration hereunder, as well as an equal share of the administrative fees and the fees of the arbitrator; provided, however, that the arbitrator will be entitled to include in any award a full reimbursement for the prevailing party’s costs and expenses, such party’s share of the administrative fees and the fees of the arbitrator, or any combination of any or all of the above. In the event that this Rule 810 is held to be unenforceable in connection with any dispute or a claim is deemed by a court of competent jurisdiction to be not arbitrable, (i) exclusive jurisdiction for any such dispute will reside in any state or federal court sitting in New York County, New York, (ii) BSEF and the Participant involved in the dispute will be presumed to have submitted to the personal jurisdiction of any such court, and (iii) an action to enforce any

judgment or decision of such court may be brought in the same court or in any other court with jurisdiction or venue. Finally, all Participants unconditionally and irrevocably waive any and all right to trial by jury in connection with any such dispute.

CHAPTER 9. LIMITATION OF LIABILITY, NO WARRANTIES, AND INDEMNIFICATION

RULE 901. LIMITATION OF LIABILITY, NO WARRANTIES

(a) NONE OF BSEF, OR ANY CONTRACTORS OR SUB-CONTRACTORS PROVIDING SERVICES RELATED TO THE SEF OPERATED BY BSEF, NOR ANY OF THEIR RESPECTIVE SUCCESSORS OR ASSIGNS, DIRECTORS, OFFICERS, EMPLOYEES, AGENTS, PARTNERS, CONSULTANTS, OR LICENSORS (EACH, A “**DISCLAIMING PARTY**”) SHALL BE LIABLE TO ANY PERSON (INCLUDING ANY PARTICIPANT, AUTHORIZED TRADER, SUPERVISED PERSON, ACCOUNT, CUSTOMER, CLEARING MEMBER OR ANY MARKET PARTICIPANT THAT DIRECTLY OR INDIRECTLY EFFECTS A TRANSACTION PURSUANT TO THE RULES) FOR ANY LOSSES, DAMAGES, DEMANDS, COSTS OR EXPENSES (INCLUDING LOSS OF PROFITS; LOSS OF USE; AND DIRECT, INDIRECT, SPECIAL, INCIDENTAL, CONSEQUENTIAL OR PUNITIVE DAMAGES) (“**CLAIM**”), ARISING FROM:

(i) ANY FAILURE, MALFUNCTION, FAULT IN DELIVERY, DELAY, OMISSION, SUSPENSION, INACCURACY, INTERRUPTION, TERMINATION, OR ANY OTHER EVENT, IN CONNECTION WITH THE FURNISHING, PERFORMANCE, OPERATION, MAINTENANCE, USE OF OR INABILITY TO USE ALL OR ANY PART OF BSEF SERVICES, OR SERVICES OF THE DISCLAIMING PARTY, OR SERVICES, EQUIPMENT OR FACILITIES USED TO SUPPORT SUCH BSEF SERVICES, INCLUDING ELECTRONIC ORDER ENTRY/DELIVERY, TRADING THROUGH ANY ELECTRONIC MEANS, ELECTRONIC COMMUNICATION OF MARKET DATA, SEF DATA OR INFORMATION, WORKSTATIONS USED BY PARTICIPANTS, AUTHORIZED TRADERS, SUPERVISED PERSONS, CLEARING MEMBERS, ACCOUNTS OR CUSTOMERS, PRICE REPORTING SYSTEMS AND ANY AND ALL COMMUNICATIONS NETWORKS, SOFTWARE AND HARDWARE RELATING THERETO;

(ii) ANY FAILURE, MALFUNCTION, FAULT IN DELIVERY, DELAY, OMISSION, SUSPENSION, INACCURACY, INTERRUPTION OR TERMINATION, OR ANY OTHER EVENT, OF BSEF SERVICES OR ANY SERVICES OF A DISCLAIMING PARTY, OR SERVICES, EQUIPMENT OR FACILITIES USED TO SUPPORT SUCH TRADING SYSTEMS OR SERVICES, CAUSED BY ANY THIRD PARTIES INCLUDING ISVs OR NETWORK PROVIDERS;

(iii) ANY ERRORS OR INACCURACIES IN INFORMATION PROVIDED BY THE DISCLAIMING PARTY OR IN ANY OF THE DISCLAIMING PARTY’S SYSTEMS, SERVICES, EQUIPMENT OR FACILITIES;

(iv) ANY ERRORS, INACCURACIES, OR OMISSIONS IN INFORMATION IN THE PARTICIPANT DOCUMENTATION; OR

(v) ANY UNAUTHORIZED ACCESS TO OR UNAUTHORIZED USE OF ANY OF THE DISCLAIMING PARTY'S SYSTEMS, SERVICES, EQUIPMENT OR FACILITIES BY ANY PERSON.

THE FOREGOING LIMITATION OF LIABILITY SHALL APPLY WHETHER A CLAIM ARISES IN CONTRACT, TORT, NEGLIGENCE, STRICT LIABILITY, CONTRIBUTION OR OTHERWISE AND WHETHER THE CLAIM IS BROUGHT DIRECTLY OR AS A THIRD PARTY CLAIM.

(b) NOTWITHSTANDING PARAGRAPH (a), (c) or (f) OF THIS RULE 901, IN NO EVENT SHALL ANY AFFILIATE OF BSEF ACTING AS ITS TECHNOLOGY SERVICES PROVIDER BE LIABLE TO ANY PERSON NOR SHALL ANY PERSON BRING ANY LEGAL ACTION (WHETHER IN TORT, NEGLIGENCE, OR BREACH OF CONTRACT) FOR ANY LOSSES, DAMAGES, COSTS OR EXPENSES INCLUDING LOSS OF PROFITS, LOSS OF USE, DIRECT, SPECIAL, PUNITIVE, INDIRECT, INCIDENTAL OR CONSEQUENTIAL DAMAGES, ARISING FROM THE USE OF THE SEF OPERATED BY BSEF.

(c) WITHOUT LIMITING BSEF'S INDEMNIFICATION OBLIGATION UNDER RULE 902, THERE ARE NO EXPRESS OR IMPLIED WARRANTIES OR REPRESENTATIONS (INCLUDING WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE OR USE) PROVIDED BY ANY DISCLAIMING PARTY RELATING TO ANY SYSTEMS OR SERVICES OF ANY DISCLAIMING PARTY OR SERVICES, EQUIPMENT OR FACILITIES USED TO SUPPORT SUCH SYSTEMS OR SERVICES.

(d) ANY DISPUTE ARISING OUT OF THE USE OF SYSTEMS OR SERVICES OF ANY DISCLAIMING PARTY OR SERVICES, EQUIPMENT, OR FACILITIES USED TO SUPPORT SUCH SYSTEMS OR SERVICES IN WHICH THE DISCLAIMING PARTY OR DISCLAIMING PARTIES IS A PARTY SHALL BE SUBJECT TO ARBITRATION AS PROVIDED IN RULE 810(c) AS IF THE DISCLAIMING PARTY WERE BSEF AND THE OPPOSITE PARTY OR PARTIES WERE A PARTICIPANT. ANY ACTIONS, SUITS OR PROCEEDINGS BROUGHT AGAINST ANY DISCLAIMING PARTY MUST BE BROUGHT WITHIN ONE (1) YEAR FROM THE TIME THAT A CAUSE OF ACTION HAS ACCRUED. THIS PARAGRAPH (d) SHALL IN NO WAY BE CONSTRUED TO LIMIT A PARTY'S OBLIGATION TO ARBITRATE ITS CLAIM OR TO CREATE A CAUSE OF ACTION (OR MODIFY THE LIMITATION ON ACTIONS PROVIDED IN RULE 901(a)) AND SHALL NOT AUTHORIZE AN ACTION THAT WOULD OTHERWISE BE PROHIBITED BY THE RULES. IF FOR ANY REASON, A COURT OF COMPETENT JURISDICTION FINDS THAT A DISPUTE IS NOT ARBITRABLE, SUCH DISPUTE SHALL BE SUBJECT TO THE JURISDICTION OF EACH OF THE FEDERAL AND STATE COURTS LOCATED IN NEW YORK COUNTY, NEW YORK IN CONNECTION WITH ANY MATTERS ARISING OUT OF THIS RULEBOOK AND NO PARTY TO SUCH DISPUTE MAY ASSERT A DEFENSE OF FORUM NON CONVENIENS, SOVEREIGN IMMUNITY, ACT OF STATE OR ANALOGOUS DOCTRINES IN CONNECTION WITH ANY ACTION.

(e) TO THE EXTENT PERMITTED BY APPLICABLE LAW, THE TOTAL COMBINED AGGREGATE LIABILITY OF BSEF FOR ALL CLAIMS SHALL NOT EXCEED (i) \$20,000 FOR ALL CLAIMS FROM ALL CAUSES SUFFERED ON A SINGLE DAY, (ii) \$100,000 FOR ALL CLAIMS FROM ALL CAUSES SUFFERED IN A SINGLE CALENDAR MONTH; AND (iii) \$1,200,000 FOR ALL CLAIMS FROM ALL CAUSES SUFFERED IN A SINGLE CALENDAR YEAR. ANY DISPUTED CLAIM PURSUANT TO THIS PARAGRAPH (e) SHALL BE SUBJECT TO ARBITRATION TO THE EXTENT PROVIDED IN RULE 810(c).

(f) IN NO EVENT SHALL TOTAL COMBINED AGGREGATE LIABILITY OF BSEF FOR ALL CLAIMS AGAINST BSEF AND CLAIMS AGAINST DISCLAIMING PARTIES ARISING OUT OF ANY FAILURES, MALFUNCTIONS, FAULTS IN DELIVERY, DELAYS, OMISSIONS, SUSPENSIONS, INACCURACIES, INTERRUPTIONS, TERMINATIONS, OR ANY OTHER CAUSES, IN CONNECTION WITH THE FURNISHING, PERFORMANCE, OPERATION, MAINTENANCE, USE OF OR INABILITY TO USE ALL OR ANY PART OF THE BSEF SERVICES, OR SERVICES, EQUIPMENT OR FACILITIES USED TO SUPPORT BSEF SERVICES OR FACILITIES, OR THE NEGLIGENCE OR GROSS NEGLIGENCE OF SEF EMPLOYEES, AGENTS OR SUBAGENTS EXCEED \$1,200,000 IN ANY GIVEN CALENDAR YEAR.

(g) IF THE NUMBER OF ALLOWED CLAIMS ARISING OUT OF ANY FAILURES OR MALFUNCTIONS ON A SINGLE DAY, SINGLE MONTH OR SINGLE YEAR CANNOT BE FULLY SATISFIED BECAUSE OF THE ABOVE DOLLAR LIMITATIONS, ALL SUCH CLAIMS SHALL BE LIMITED TO A PRO RATA SHARE OF THE MAXIMUM AMOUNT FOR THE RESPECTIVE PERIOD.

(h) THE LIMITATIONS OF LIABILITY IN THIS RULE 901 SHALL NOT PROTECT ANY PARTY FOR WHICH THERE HAS BEEN A FINAL DETERMINATION (INCLUDING EXHAUSTION OF ANY APPEALS) BY A COURT OR ARBITRATOR TO HAVE ENGAGED IN FRAUD OR WILLFUL MISCONDUCT. ADDITIONALLY, THE FOREGOING LIMITATIONS ON LIABILITY OF THIS RULE SHALL BE SUBJECT TO THE CEA AND THE REGULATIONS PROMULGATED THEREUNDER, EACH AS IN EFFECT FROM TIME TO TIME.

(i) THE LIMITATIONS OF LIABILITY IN THIS RULE 901 SHALL NOT APPLY TO BSEF'S INDEMNIFICATION OBLIGATION UNDER RULE 902.

RULE 902. Indemnification by BSEF

(a) BSEF, at its expense, shall indemnify, hold harmless and defend Participant against any Claim, that for the purposes of this Rule 902 shall include reasonable attorneys' fees that the SEF operated by BSEF or any portion thereof infringes, misappropriates or violates any intellectual property or proprietary rights of any third party; provided, however, that BSEF shall not be required to indemnify Participant for any Claim which falls within the scope of this Rule 902 to the extent it arises from or in connection with:

(i) Any additions, changes or modifications by Participant to the SEF Platform or any portion thereof, which changes were not provided by BSEF;

(ii) The use of the SEF operated by BSEF in combination with other products or services not provided by BSEF; or

(iii) The use of the SEF operated by BSEF other than as expressly permitted by the Rules, any SEF technical specification regarding the use of the SEF operated by BSEF or the Participant Documentation.

(b) Participant shall promptly provide BSEF with Written notice of any Claim which falls within the scope of this Rule 902 (provided that failure to provide such notice shall not relieve BSEF of its indemnity obligations hereunder except to the extent it is prejudiced thereby). This indemnity shall not cover any Claims in which a Participant fails to provide prompt Written notice of any Claim. In the event any Participant provides notice of a Claim for indemnification covered under paragraph (a) of this Rule 902 above, BSEF shall control such defense and all negotiations relative to the settlement of any such Claim.
