## Fee Schedule – 23/29

### FX - Swaps

#### Transaction (Tx) Fees

Tenor (days) <sup>[1][14][15][16]</sup>	1	<=3	<=7	<=32	<=60	<=90	<=180	>180
Swaps	0.15	0.17	0.19	1.00	1.50	3.00	4.50	6.00

#### Subscription Plans

##### Bloomberg Global (BMTF, BTFE, BSEF, BTBS)

Plan	Monthly Floor	Tx Fees Charged At
A	350,000	70%
B	175,000	85%
C	50,000	95%
DEFAULT	250	100%

#### Key

[1] Fee per million notional traded. All currency values will be converted to USD using Bloomberg's reference rates.

[14] Non-Deliverable Swaps are billed as Swaps.

[15] Swaps mean a batch or package transaction consisting of two legs for the same currency pair in the opposite direction.

[16] The Tenor (days) for Swaps where the near leg maturity is less than or equal to T+2 means the difference between the far leg maturity (in days) and the near leg maturity (in days), where T means the trade date. For Swaps where the near leg maturity is greater than T+2, Tenor (days) means the difference between the far leg maturity (in days) and 2 days, where T means the trade date.

# Effective 01 January 2026 – Bloomberg Trading Facility B.V.

## Fee Schedule – 24/29

### FX - Options

Transaction (Tx) Fees								
Tenor (days) <sup>[1][17]</sup>	1	<=3	<=7	<=32	<=60	<=90	<=180	>180
Options	7.50	7.50	7.50	7.50	7.50	7.50	7.50	7.50

### Subscription Plans

#### Bloomberg Global (BMTF, BTFE, BSEF, BTBS)

Plan	Monthly Floor	Tx Fees Charged At
A	50,000	70%
B	37,500	85%
C	10,000	95%
DEFAULT	250	100%

### Key

[1] Fee per million notional traded. All currency values will be converted to USD using Bloomberg's reference rates.  
 [17] Multi-leg Options will be billed on the greater of the sum of the notional buy legs or the sum of the notional sell legs.

# Effective 01 January 2026 – Bloomberg Trading Facility B.V.

## Fee Schedule – 25/29

### FX - Forwards/NDFs

#### Transaction (Tx) Fees

Tenor (days) <sup>[1][18][19]</sup>	1	<=3	<=7	<=32	<=60	<=90	<=180	>180
Forwards	2.90	2.92	2.94	3.75	4.25	5.75	7.25	8.75
Non-Deliverable Forwards (NDFs)	2.90	2.92	2.94	3.75	4.25	5.75	7.25	8.75

#### Subscription Plans

##### Bloomberg Global (BMTF, BTFE, BSEF, BTBS)

Plan	Monthly Floor	Tx Fees Charged At
A	105,000	70%
B	70,000	85%
C	10,000	95%
DEFAULT	250	100%

#### Key

[1] Fee per million notional traded. All currency values will be converted to USD using Bloomberg's reference rates.

[18] Any transaction that has a settlement date within 2 business days will be charged at \$2.75 per million notional.

[19] The Tenor (days) for Forwards/NDFs and legs of batch transactions is the difference between the Forwards/NDFs settlement date and Forwards/NDFs T+2.

# Effective 01 January 2026 – Bloomberg Trading Facility B.V.

## Fee Schedule – Notes – 26/29

Note No.	Notes referenced on the fee schedule
1	Fee per million notional traded. All currency values will be converted to USD using Bloomberg's reference rates.
2	Fee in bps. All currency values will be converted to USD using Bloomberg's reference rates.
3	Callable bonds trading at a premium will be charged to call date.
4	For sub-markets with participation governed by a Government Agency, the fees will be split evenly between the two counterparties to the trade.
5	For each credit default swap based on a third-party index or indices, liquidity providers will be charged an additional fee of \$13.25 USD per single-leg trade or, for multi-leg trades, \$13.25 USD per leg. The fee will increase by \$0.75 USD per leg of a trade on October 1, 2026, and then increase by \$0.75 USD per leg of a trade for each year for the next three years, with such increase being effective on October 1 of each year.
6	A fee cap of \$100 USD, per package will be applied.
7	No transaction fee is charged where a cleared IRS/CDS trade is "cancelled" using an error offset trade.
8	Monthly Floor of \$250 USD is the DEFAULT for Interest Rate Derivative - Emerging Market.
9	A fee cap of \$650 USD, will be applied to any individual ETF trade with an execution value of 50 million notional or higher.
10	A fee cap of \$250 USD, will be applied to any individual Single Stock trade with an execution value of 10 million notional or higher.
11	A fee cap of \$750 USD, will be applied to individual listed/flex options trades with 10,000 contracts or more executed. A fee cap of \$1,500 USD, will be applied to individual OTC options trades with 10,000 contracts or more executed.
12	Where a trade involves a Participant facilitating an 'all-to-all' workflow utilizing Bloomberg Bridge technology under license, the per-trade fees will be charged to that same Participant when it responds to RFQs.
13	The fees on this page do not apply to use of trades tagged under Portfolio Trading. Fees for Portfolio Trading are set forth under the Portfolio Trading Subscription Category (which is also a type of "Subscription Product").
14	Non-Deliverable Swaps are billed as Swaps.
15	Swaps mean a batch or package transaction consisting of two legs for the same currency pair in the opposite direction.
16	The Tenor (days) for Swaps where the near leg maturity is less than or equal to T+2 means the difference between the far leg maturity (in days) and the near leg maturity (in days), where T means the trade date. For Swaps where the near leg maturity is greater than T+2, Tenor (days) means the difference between the far leg maturity (in days) and 2 days, where T means the trade date.
17	Multi-leg Options will be billed on the greater of the sum of the notional buy legs or the sum of the notional sell legs.
18	Any transaction that has a settlement date within 2 business days will be charged at \$2.75 per million notional.
19	The Tenor (days) for Forwards/NDFs and legs of batch transactions is the difference between the Forwards/NDFs settlement date and Forwards/NDFs T+2.

# Effective 01 January 2026 – Bloomberg Trading Facility B.V.

## Fee Schedule – Notes – 27/29

Note No.	Other notes
20	This fee schedule sets out execution fees for trading on BTFE, related third-party fees as described herein, and connectivity fees.
21	For fixed-income, equity, and FX trades, the per-trade fees will be charged to those BTFE participants that respond to RFQs and orders.
22	If a per-trade fee calculated as set out in this document results in a sub-cent fee, BTFE will round the fee up to the nearest cent.
23	Process Negotiated Trades (as defined in the Rulebook) do not incur an execution fee but may incur third-party fees (where applicable).
24	Fee-paying Participants may qualify for incentive programs that may be available from time to time.
25	For IRS/CDS, an "Intra-LEI" trade is a trade between the same entity LEI.
26	An "Inter-Affiliate" trade is a trade between two entities grouped together for administrative (e.g. billing) purposes, where permitted.
27	Central Banks will not be charged when providing prices on FX transactions.
28	For FX trades, Tenor (days) are calculated from T+2.
29	Batch or package transaction means two or more transactions that that are confirmed separately, but that are negotiated together as the product of a single economic agreement.
30	No transaction fee is charged for cancelled FX trades.
31	Direct Portal Connectivity Fee is waived for member(s) of the European System of Central Banks or third-country equivalent.
