Bloomberg

Software Compatibility Matrix

English

7 August 2025
Version: 29.0

This document should be used in conjunction with the Bloomberg Workstation Requirements, Software Release and Expiration and Network Connectivity Guide. Please see our website or BBPC<GO> on the Terminal for more information.

The information provided in this document outlines the Microsoft® platforms that are compatible with the Bloomberg Terminal® and its associated software.

These requirements should be considered when determining the overall suitability of the users' workstation to maximize product functionality. Please keep the latest Bloomberg specifications in mind when planning workstation upgrades.
